# Stop Attack, Mr. K Urges Kennedy In Pledging Aid To Castro Regime

## Cancer Appeal To Open

The sound of ringing doorbells Wednesday will mark the beginning of the annual house-to-house campaign of the American Cancer Society fund drive. The volunteers of the local residential unit of the Cancer Society will distribute educational leaflets while soliciting funds this year, according to Mrs. Audrey Newtz, chairman of the residential crusade. Mrs. Newt, left, and Mrs. s.

Richard Crawford, captain of the Lincoln School district, and Kim Reed, granddaughter of Mrs. Newtz, are shown as they prepared the material needed by the workers for the drive. "I hope every door in the community will be open to welcome the crusaders," Mrs. Newtz said. She also commented: "If everyone follows the advice contained in the leaflet to be left

at each home, more than 85,000 lives could be saved. This is the number of men, women and children who died of cancer each year in the United States, but who could be saved by heeding the simple advice stressed in the American Cancer Society's educational program." At least half of those who get cancer could be cured through

## Payments Hit \$5,832 Under New City Tax

**Commissioner Asks Extra Help For Last-Minute Rush**

With two weeks remaining in the current collection period, about 20 per cent of the prospective taxpayers have paid a total of \$5,832 under the new city income tax, Commissioner D. G. Wilkinson said. A total of 835 individuals out of an anticipated 4,600 also have filed returns, paying \$3,165, he added.

Of 790 business places on the rolls, 135 had paid a total of \$672 through the close of business Saturday, Wilkinson said. A total of 835 individuals out of an anticipated 4,600 also have filed returns, paying \$3,165, he added. Payments by individuals represent 19 per cent of the total expected while returns from business places account for 18 per cent of the overall number, Wilkinson said. In connection with the comparatively small amount paid by business, he said that "the big money is yet to come."

In most cases, the individual private and business returns are based on estimates of 1961 income or profit. The taxpayer has the option of paying in full at once or in quarterly installments. Persons whose entire income is subject to withholding need not file returns. By April 30, employers must turn over to the city the funds they have withheld from payrolls in February and March. Although the work load is heavier now, the tax office has a smaller staff than in 1958, when a similar tax was in effect about six months, Wilkinson said. In addition to the commissioner, there is a clerical staff of two. Wilkinson said the office needs an additional full-time clerk and another temporary employee to help with a rush expected for the next three months. In 1958, six persons staffed the office during

## St. Clair Ave. Job Planning Fund Cleared

Council enacted two pieces of legislation Monday night to authorize engineering work in anticipation of a federal grant covering 50 per cent of the cost of constructing a new concrete pavement on St. Clair Ave. from Princeton Ave. to the north city limits.

The legislation was approved, 6-1, with Councilman Robert Laughlin dissenting. Laughlin did not explain his objections on the floor, but said later he wants "the property-owners' opinion before we go any further."

(Turn to ST. CLAIR, Page 3)

## \$7,000 Loss Set In Blaze At Cain Home

**East Firemen Quell Blaze In Kitchen Of Barrett Dwelling**

Damage was estimated at \$7,000 in a fire of undetermined origin which gutted the kitchen and caused severe heat damage to a Cain St. home Monday afternoon. William Smit, captain of the Liverpool Township East volunteer fire department, estimated \$5,000 damage to the two-story frame home of Asa Barrett and \$2,000 to the contents.

Although the cause hasn't been determined, the fire apparently started directly above a kitchen stove while the family was absent, Smit said.

## 27 Arrested For Plot To Slay Castro

**1 American And 7 Women, Among Those Facing Trial**

MIAMI, Fla. (AP)—Arrest of 27 persons accused of plotting to assassinate Prime Minister Fidel Castro was announced today by Cuban government radio in a broadcast heard here.

Among those held, the broadcast said, was Maj. Humberto Sori Marin, Castro's first minister of agriculture.

Sori Marin was shot and wounded while trying to flee, the radio broadcast added. He was taken to a hospital.

The others, including nine women, are being held for trial by a revolutionary tribunal.

Among them, it was announced, was an American, Rafael Diaz Ottman.

Castro forces seized a large quantity of "arms from Key West" on making the arrests, the Broadcast said. Key West, Fla., is 90 miles from Havana.

Also taken from those arrested were substantial sums of American money, the radio asserted.

The radio also reported that eight terrorists were executed by a firing squad early today in La Cabana prison fortress.

Sori Marin was one of Castro's most trusted lieutenants during the revolt against ousted President Fulgencio Batista. During the fighting in the Sierra Maestra, he helped draft many of Castro's proclamations.

After the successful revolt against Batista, Sori Marin, a lawyer by profession, was named to oversee the first military tribunal. Later, he was named minister of agriculture.

Early in 1960, reports in Miami said, Sori Marin indicated disenchantment with the Castro government and was relegated to a minor position.

## Police Force Post Is Filled

**Patrolman Laid Off In '58 Reappointed**

The reappointment of Leonard Edward Richards, 1706 Idaho Ave., as a patrolman to fill one of two vacancies on the police department was announced Monday by Safety - Service Director Lee Copenhaver.

One of five patrolman laid off Dec. 31, 1958, because of a lack of funds, Richards began his duties on the 4 p. m. shift yesterday.

He will replace Richard Higgins, who resigned a few months ago.

Richards originally was appointed to the force June 9, 1958, working until Dec. 31 that year when five were furloughed off because of a lack of funds after voters repealed the municipal income tax at the general election in November.

He was born in Tell City, Ind., July 2, 1927, but has resided in East Liverpool for several years. A Navy veteran and a former pottery employee, he is married to the former Dorothy Jean Jackson.

The remaining vacancy was created in March when Patrolman Milton Fowler resigned unexpectedly to accept a position in Florida.

## 1 Safe, 10 Not Found Yet In 'Copter Crash

COLD LAKE, Alta. (AP)—A big helicopter with 11 men aboard crashed Monday night in a desolate area 35 miles north of the Canadian air force base in north-eastern Alberta.

The pilot was rescued but the fate of the 10 others in the aircraft—three airmen and seven civilian construction workers—was not known.

The pilot, Flight Lt. J. L. Jeffs of Winnipeg, was reported only slightly injured. Another helicopter was flown to the scene with medical aid.

OSCAR WINNERS. Burt Lancaster, winner of the best actor award for his performance in "Elmer Gantry," and Elizabeth Taylor, winner of the best actress award for her role in "Butterfield 8," pose with their Oscars backstage following presentation ceremonies Monday night. (UPI Telephoto)

## Payroll Hikes Pace General Gains In Area

**March Shows Large Increase In Sales Of New And Used Cars**

An increase of nearly 30 per cent in March payrolls at 12 area industrial plants paced the strongest general upturn in months in the East Liverpool area economic barometer, which showed gains in virtually every other index.

The big boost in wages fed into the community apparently stimulated the general economy, as there was a 100 per cent increase in new car registrations and a 141 per cent gain in used auto sales.

The monthly summary issued by the Chamber of Commerce showed gains in March for 11 indices, compared with February, with a drop in only one. But most of the indices are running behind the levels they attained at the same time in 1960, despite the strong stimulus last month.

A comparison of the first quarter of 1961 with the same period of 1960 showed declines in 10 indices, gains in two.

Payrolls at the 12 area factories hit \$1,326,852 last month, up a whopping 29.6 per cent from the \$1,023,968 shown in February. The dollar difference is \$302,884. The payrolls total \$3,415,849 for the first quarter of 1961, down 8.4 per cent from the \$3,731,040 shown at the same time in 1960.

The same 12 plants had 3,897 employees during March, up one per cent from the 3,830 listed in February. Their employment averaged 3,849 monthly in the first quarter of 1961, down 3.3 from the 3,973 average shown at the same time last year.

Sales of new cars, one of the most reliable economic barometers, climbed to 271 in Columbiana County in March, up 100.7 per cent from the 135 shown in February. They total 553 for the first three months of 1961, off 38.4 per cent from the 893 shown at the same time in 1960.

Used car sales totaled 725 in March, up 141.7 per cent from the 300 shown in February. They total 1,365 for the first quarter of 1961, down 55.6 per cent from the 3,073 at same time during 1960.

Sales tax receipts totaled \$31,850 in March, up 1.8 per cent from \$31,200 in February.

(Turn to PAYROLL, Page 3)

## Oscars Won By Lancaster, Liz Taylor

SANTA MONICA, Calif. (AP)—"I feel weak but wonderful," Liz Taylor sighed happily after winning her first Oscar Monday night—a few months after recovering from a brush with death. The beautiful star, who won the best actress award for her role as the girl-about-town in "Butterfield 8," nearly fainted twice during the 90-minute Academy Awards show.

Liz, nominated four straight years for the movies' big award, stole the 33rd annual Oscar show from the other winners—Burt Lancaster, best actor; Shirley Jones, best supporting actress, and Peter Ustinov, best supporting actor.

"The Apartment" won five awards, including best picture and best direction (by Billy Wilder).

All the winners posed backstage for photographers but Liz got weak in the knees and had to cut her posing short. Accompanied by her husband Eddie Fisher and her doctor, she swayed shakily toward an open door. The fresh air revived her quickly and she was all smiles again.

Earlier, on her arrival, she had to rest 15 minutes before entering the Santa Monica Civic Auditorium.

## Ohio Power Manager To Leave

## Black To Quit Post Here For Year's Study At MIT

William A. Black Jr. will terminate his duties early in June as manager of the Ohio Power Co.'s East Liverpool district.

He has been selected by Massachusetts Institute of Technology for a year's education for management under the Alfred P. Sloan Fellowship.

Black is one of 44 men between 30 and 39 who will begin the study June 17. They were chosen by MIT from a group whose employers nominated them for admission "because they showed marked promise of growth for major executive responsibilities." Those selected are from all areas of the United States, Cairo, India, Sweden and Switzerland.

## First Reading Given Bill For Parking Plan

**2 Members Dissent In Council's Action To Buy Ceramic**

Unable to take final action because of a 5-2 vote, Council gave the first of three required readings Monday night to legislation that will allow the city to purchase the old Ceramic Theater building and use the site for metered off-street parking.

The legislation will be up for second reading at the next session May 1, which would clear the way for final passage at the May 16 meeting.

Councilmen Robert Laughlin and Clifford Cooper cast dissenting votes on the ordinance, which clears the way for the city to borrow \$60,000 for the project—\$45,000 to acquire the building from heirs of the Tallman Estate and \$15,000 to cover the cost of razing the structure, leveling and blacktopping the site and installing meters.

The project is designed to be self-liquidating, with income from the lot providing funds to retire the bonds over a 10-year period. Favorable votes were cast by Councilmen John Kelly, Donald Smith, Norman Bucher, John Melvin and Donald Hancock.

(Turn to PARKING, Page 3)

## Rebel Gains Bared East Of Havana

**Attacking Forces Report Desertions By Castro Faithful**

By The Associated Press  
Soviet Premier Khrushchev appealed to President Kennedy today to halt the invasion of Cuba by forces seeking to overthrow Khrushchev's old friend Fidel Castro. Khrushchev called the attack a menace to world peace and promised "all necessary assistance" to Castro.

## Kennedy Withholds Comment On K's Plea

WASHINGTON (AP) — President Kennedy discussed the Cuban counterrevolution with Democratic leaders from the Capitol today but withheld immediate public comment on Soviet Premier Khrushchev's new appeal to him to stop the invasion of the island.

Early in the day, Kennedy read news dispatches reporting the gist of Khrushchev's message, the text of the communication, adding nothing essential to the earlier report, was delivered to him shortly after his weekly breakfast session with the Congress members.

More than 24 hours after the landings in Cuba, the rebels were reported moving inland in an area 90 miles east of Havana.

Prime Minister Castro took personal charge of the attempt to hurl back the invaders, and a Cuban broadcast said counterrevolutionaries had marked him for assassination. The broadcast announced the arrest of 27 persons, including Maj. Humberto Sori Marin, Castro's former minister of agriculture.

A spokesman for the attacking forces claimed wholesale desertions by forces nominally loyal to Castro, including many of the militiamen Castro had forcefully recruited from all ranks of Cuban life. Those are now the people who may spell success or failure for the attempt to topple Castro. Rebel leaders in the United States asserted the invaders who landed in southwest Las Villas Province Monday had struck halfway across the narrow island to Colon.

The Communists charged the invasion was financed by the United States and supported by U.S. warships and planes from Florida and Central America. The United States has denied supplying the invaders but has expressed sympathy for the forces fighting to overthrow Castro.

Khrushchev said in a message to Kennedy that the Soviet Union wanted to decrease world tension "but if others aggravate it, we shall reply in full measure."

A statement by the Soviet government went a step further and warned that the Cuban fighting is "Capable of jeopardizing the peaceful life of the U.S.A. itself."

Khrushchev did not mention the rockets he once symbolically promised to bring to Castro's aid. In Moscow, a mass demonstration was staged in front of the U.S. Embassy by several thousand persons, some of them students at Moscow's Friendship University.

## Company, Union Meet In Knowles Dispute

Operations were back to normal today at the Edwin M. Knowles China Co. as company and union officials continued in a meeting to iron out a dispute over division of work that led to warehousing establishing picket lines at the plant Monday.

The company - employee conference still was under way shortly before noon. The firm said its operations are normal today. Warehousing pickets were withdrawn yesterday afternoon.

The men agreed yesterday to return to their jobs pending discussion of the dispute. The walk-out affected about 18 members of Local 138, bisque warehousemen.

## Board Considers Plans

School Repairs  
To Be Extensive

One of the most ambitious summer repair programs for city schools in several years is under consideration, James Moss, chairman of the Board of Education's building committee, reported Monday night.

No final decision will be reached on what parts of the program will be undertaken until bids can be received and the overall cost matched against available funds, Moss pointed out.

**THE FUNDS** will come from a special 1-mill levy approved by voters a year ago, providing \$47,000 annually for building repair and maintenance.

The projects include interior and exterior paintings at some of the schools, lighting improvements, furnace repairs, new doors and window frames, tin work, new sidewalks, renovating of restrooms, roof work and resealing of blacktop around Westgate School.

Tentative plans call for interior painting at Klondyke, Horace Mann and East Junior High and exterior painting, mostly windows and doors, at Central, East Junior High, Garfield, Horace Mann, LaCroft, Neville, Pleasant Heights, Taft, Memorial Auditorium and the High School.

**NONE OF** the buildings listed for exterior work has been painted since 1954. A rough estimate places the cost at approximately \$12,000.

The committee also hopes to install new lighting in the Pleasant Heights and Garfield buildings and in the woodworking shop at the high school, Moss reported.

Repairs to furnaces have been placed at \$5,000, but the figure can not be ascertained until the heating units are examined, Moss explained.

The committee also hopes to continue work on the roof at Central School similar to projects in the past in which some domes were removed and new wood installed in the roof.

"As long as we are using it, we can't let it fall down so we have to keep it up," Moss commented.

**NEW DOORS** and frames are needed at Pleasant Heights and Neville and doors at Taft plus new window frames at McKinley, Taft and the high school, the chairman said.

Restrooms in the high school need renovating and some work probably should be undertaken this summer, Moss continued.

Tinwork, chiefly downspouts, has been repaired at Neville and McKinley buildings and is planned at Horace Mann, where the sidewalk also needs to be replaced.

The committee also expects to replace the concrete sidewalk on the E. 4th St. side of the high school, and is discussing the possibility of leveling the floor of the high school auditorium, now used only for a study hall.

**IT ALSO** expects to repair the ceiling of the basement at McKinley but hopes to avoid replastering, Moss said.

The blacktop around Westgate School needs resealing, but Samuel M. Brown, the other member of the committee, said he believes it would be foolish to do the work until the construction of the new city freeway nearby is completed.

The board awarded a contract for printed forms to the Keystone Printing Co. on its total bid of \$349.65. Wilson Printing House bid \$514.30.

Keystone was the low bidder in each section, which includes attendance cards for the high school, Westgate and East Junior High, program cards for the high school and Westgate, guidance cards for East Junior High, permanent record cards, subject report cards and registration room cards at Westgate, transfer and report cards for the superintendent's office and Board of Education labels.

Basketball Team  
Will Be Honored  
By Church Club

Members of the church league basketball team of the Trinity United Presbyterian Church will be honored at a coverdinner by the Amikitia Club, sponsors, Friday at 6:15 p. m. in the social rooms.

Robert E. Weaver, coach, will present awards to Jeffrey Chambers, James Conkle, David Emmerling, Gary Fletcher, Phil Fuhrer, Darrell Hall, Terry Lawrence, Allen Lowe, Robert Marshall, William Martin, Karl Oyster, Tom Reese, Robin Snow and Tom Standley.

Assistant coaches to receive recognition are Robert D. Weaver and Wayne Locke.

Mrs. Donald Baxter will present devotions on "Guiding a Child." Mr. and Mrs. Robert Kidd, program chairmen, will screen a movie, "Paper Making."

Business will be conducted by Mr. and Mrs. Beryl Cochran, presidents.

Mr. and Mrs. Kenneth Jones and Mr. and Mrs. Bernard Locke, social chairmen, are in charge of arrangements.

Families will bring table service, a coverdinner and beverage for the children. Reservations must be in by Wednesday with Mrs. Kidd and Mrs. Jones.

Newell PTA Sets  
Carnival Friday

The Newell Jefferson School Parent-Teacher Association will hold its annual carnival Friday night at 7 at the school.

Numerous games and shows will be presented, plus various types of sales.

Chairmen include Ed Carson and John Skidmore, tickets and welcoming; Ernest John, principal, purchasing; Mrs. Elene Daugherty and Mrs. Helen Rayburn, bake sale; Mrs. Virginia LaNeve, refreshments; Mrs. Freda Arnott, talent show; Mrs. Dorothy Talbott, minstrel; Mrs. Susan Finley and Mrs. Vera Neese, fish pond; LaVerne Finley, checkroom; Mrs. Effie Fitch, movies; Mrs. Helen Doane, decorations; Mrs. Robert Carnahan, prizes; Jim Severs and Francis Stephens, pop corn stand; Don Thornberry and Dana Howell, relief work; George Gogol, cleanup; Dick Haynes, game room; Joe Jester and Jack Houghton, dart room, and George Vukas, publicity.

## Traffic Mishap Fatal

PORTSMOUTH, Ohio (AP) — Mrs. Bessie M. Lewis, 38, of Portsmouth died Monday of injuries sustained Sunday when she was thrown from the car her husband, Edward, was driving. Lewis said he was forced off U.S. 52 near here by a car which did not stop.

DeForest invented the radio amplifier.

Mine Mishap  
Injures Man

A Salineville man injured in a clay mine mishap and a Chester woman hurt stepping from a curb were among six area adults and young people treated at City Hospital Monday.

Lawrence Kessler, 46, of 164 E. Main St., Salineville, was treated yesterday afternoon for a laceration of a toe of the right foot which was caught under a loader at the H. K. Porter Co. mine.

Mrs. Robert Burch, 530 Louisiana Ave., Chester, suffered a sprain of the ankle in stepping from a curb.

Wayne Gunn, 17, son of Mr. and Mrs. William Gunn of 6th Ave., LaCroft, suffered bruises and abrasions in a fall from a swing.

Wayne Talbott, 5, son of Mr. and Mrs. Arnold Talbott, 1338 Smithfield St., was treated for a laceration between the eyes received in a fall at play at a neighbor's home.

In a fall against a chair, Ralph Roush, 2, son of Mr. and Mrs. Ralph Roush, 1303 Erie St., suffered a cut of the forehead.

John Muschweck, 2, son of Mr. and Mrs. John Muschweck of Simmons Ave., received a small cut of a finger on a knick-knack at home.

Charlton Heads  
West Point PTA

LISBON — Robert Charlton was re-elected president of the West Point Parent-Teacher Association Monday evening.

Others elected were Mrs. John Reese, vice president; Mrs. Leslie Frantz, secretary, and Mrs. Oley Evans treasurer.

Mrs. Albin Ronshak and Mrs. Charlton were elected delegates to the County PTA council and Mrs. William Conrad and Mrs. Steve Barborak, alternates.

Juvenile Judge Louis Tobin discussed the proposed work camp and the PTA approved the project. Judge Tobin explained that "delinquency begins at home and, if not curbed, keeps getting bigger and bigger." A question-and-answer period followed.

A report on the spring festival was given by Mrs. Stanley Wolski.

Mrs. Lenora Henderson's first and second grade class won the attendance banner and the third grade mothers served lunch.

Officers will be installed at their meeting May 15.

## 800 Attend Minstrel

LISBON — More than 800 attended the second and final performance of the 16th annual American Legion minstrel show Saturday night at Lisbon High School. An "afterglow" followed at the Legion Home. More than 400 saw the first show Friday night.

Party Dinner  
Postponed By  
Democrats

The annual Columbiana County Democratic Jefferson - Jackson Day dinner, slated this spring, was postponed until August or September by the party's central and executive committees at a meeting Monday night at Lisbon.

The dinner was postponed to enable Vice President Lyndon Johnson to attend as planned. Don R. Gosney of Columbiana, county chairman, is due to go to Washington next week to confer with the vice president about a definite date.

A resolution was passed condemning the Republican - dominated county commissioners for trimming appropriations of all Democrat officeholders and raising appropriations for GOP officeholders "with the exception of a few."

The resolution also criticized the commissioners for spending more money than previous administrations, and condemned the commissioners for permitting "cruelty" to residents of the County Home. The latter referred to depriving the residents of a meal for disciplinary action and other incidents alleged recently by Commissioner Frank Wilson of Wellsville, a Democrat.

Final plans were discussed for screening of the movie, "Sunrise at Campobello," Wednesday and Thursday nights at 8 at the Mantos Theater at Columbiana.

Gosney said another meeting will be called in two weeks.

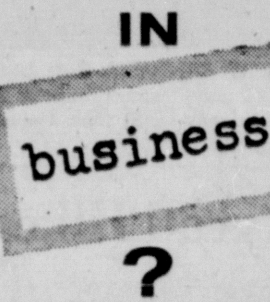

Midland Science Fair  
Entry Deadline Reset

Deadline for entries in the Science Fair of the Midland Presentation Parochial School has been extended until Wednesday, the school office reported today.

The deadline originally was Sunday. The fair will be open to the public April 30 and projects will be on display several days. The school's art exhibit also will be open the same day. Prizes will be awarded in both.

Theodore Kovalesky and Robert Carroll and their committees will assist students in setting up projects. Sister Ermeline is principal.

## Board Adopts \$474,937 As 61-62 Budget

A budget of \$474,937 for the 1961-1962 school year was adopted tentatively by the Southern Beaver County Board of Education at a special meeting Monday evening.

The board met at South Side High School near Hookstown. Harvey Todd is president.

Victor Thomas, supervising principal, reported the budget is an increase over the final budget of \$441,359.38 of last year. Major increases are due to instruction, which is \$239,000 this year and was \$211,000 last year, Georgetown coming into the district adding some 60 pupils, and increases for teachers.

He said increases include additional teachers for the added pupils, plus mandated teacher salary increases and adjustments for a teacher salary schedule that has been adopted tentatively.

Taxes for revenue for the budget will be levied by the individual boards of the six districts, including Georgetown, Hookstown, Shippingport, Greene Township, Hanover Township and Frankfort Springs.

The board discussed the school calendar and expects to add one day for students, making 11 days.

A report was given on proposed additions to the high school. A revised schedule for 10 rooms has been approved by the Department of Public Instruction, Thomas said. The site has been approved by the Department of Health, the Beaver County Board of Education and Greene Township supervisors.

Approval still is needed on an application to the State Public School Building Authority.

The board passed a resolution to advertise for bids for general supplies, equipment and fuel oil for the coming term.

The ninth grade science class of George Moreth was given permission to take a field trip May 9 to the Carnegie Museum at Pittsburgh.

## Payroll

(Continued from Page One)

from February's \$31,238. They stand at \$55,338 for the first three months of the year, down 20.9 per cent from the \$107,946 shown at the same time in 1960.

The city's parking meter receipts jumped to \$5,845 in March, up 13.2 per cent from the \$5,163 shown in the preceding month. They total \$14,148 for the first quarter of 1961, a gain of 12.3 per cent from the \$12,602 shown at the same time in 1960.

The city's March relief case load was unchanged at 135, the same figure shown in February. The case load has averaged 130 monthly to date in 1961, up 62.5 per cent from the average of 80 shown at the same time in 1960.

Inbound railroad carloadings jumped to 194 in March, up 26 per cent from February's 154. They total 517 for the first quarter of 1961, down 29.3 per cent from the 731 shown at the same time last year.

Outbound carloadings hit 199 last month, a gain of 1.5 per cent over the 196 shown in February. They stand at 583 for the first quarter of 1961, down 47.8 per cent from the 1,117 shown at the same time in 1960.

District dams locked through 402 Ohio River tows in March, a gain of 50 per cent over the 268 listed in February. Traffic in the first quarter of 1961 totaled 973 tows, off 24.9 per cent from the 1,300 shown at the same time in 1960.

The March river traffic represented 1,264,150 tons, up 41.2 per cent from the 895,500 tons in February. The tonnage totals 3,205,800 for the first quarter of 1961, down 8.9 per cent from the 3,518,100 tons shown at the same time in 1960.

Bank clearings totaled \$3,098,672 in March, up 15 per cent from the \$2,693,471 shown in February. They total \$8,351,642 for the first quarter of 1961, down 9.8 per cent from the \$9,253,186 shown at the same time in 1960.

Bank debits totaled \$22,518,559 in March, up 18.6 per cent from February's \$18,980,722. They averaged \$20,942,930 monthly in the first quarter of 1961, down 3.2 per cent from the \$21,631,286 average shown at the same time in 1960.

Postal receipts hit \$20,530 in March, off one per cent from February's \$20,737. They total \$66,071 for the first quarter of 1961, up 5.6 per cent from the \$62,547 shown at the same time in 1960.

Hoe invented the rotary printing press.

## Parking

(Continued from Page One)

However, even the proponents of the measure said they were in favor of studying it at three meetings to give the public an opportunity to express its views and before final action is taken.

Melvin spoke strongly in favor of eventual enactment of the ordinance. Hancock commented "it looks like a good thing," but said Council has not made the final decision pending expressions of public opinion.

Kelly indicated he also favors the project. Bucher emphasized particularly that the project will be self-liquidating — that no public tax money will be used for the purchase.

"I know we need off-street parking, but I believe we could find a more suitable and cheaper property," Cooper said in explaining his opposition. Laughlin did not speak on the subject.

A big procedural mixup delayed enactment of the legislation and caused Council to rescind action it had taken on the bond legislation and an accompanying resolution, starting again from scratch.

The mixup began when a 5-2 vote was recorded on first reading of a resolution requesting an official certificate from Auditor Lawrence C. Applegate as the city's fiscal officer on the estimated life of the improvement for which the money would be used. Such certificates are required in cases of permanent improvements for which funds will be borrowed.

With only first reading having been given that resolution, Council could not legally consider the next item — the ordinance to issue the bonds. However, the bond ordinance was given first reading. Then a halt was called to unseal the difficulty.

To sidestep the lack of votes required to enact the resolution for a certificate from the fiscal officer, the previous action was rescinded and the certificate was requested in an informal motion. Four votes are sufficient to approve such a motion, but at least six would have been needed to pass the formal resolution on a single reading.

With the motion passed by voice vote, Council then proceeded to place the bond legislation on first reading again, clearing up the procedural tangle.

An ordinance also was ready for action authorizing Safety Service Director Lee Copenhaver to sign an agreement with the Tallman Heirs to purchase the property.

However, it cannot be acted upon until the bond legislation is passed. State law says the city cannot sign a contract or make a purchase until the required funds "are on hand or in the process of collection." The funds will not be "on hand" until the bond issue is authorized.

Council informally agreed on the theater purchase March 20 after Solicitor Joseph W. Cooper reported the Tallman Heirs had signed a written agreement accepting the city's price. The lot fronts 98 feet on E. 4th St. and is 130 feet deep. It is expected to provide spaces for 40 autos.

"Because of the interest the public is displaying on the city's purchase of the Ceramic Theater for off-street parking, I would suggest that this particular piece of legislation be placed on first reading only," Melvin remarked.

"This will give the public an opportunity to express its feelings openly and tell us what they think should or should not be done as far as the project is concerned. We in Council and the administration are fully aware of the seriousness of the parking conditions in our city today. The public is fully aware of this condition, too, and also, we know, very much dissatisfied."

"Any relief that can be given to this condition, whether large or small, will benefit the business area greatly and also help the shoppers. We have received many comments pro and con. In some circles they say we are forcing this project upon the people. This is not my intent as a member of this Council."

"I feel by accomplishing an off-street parking program we will induce out-of-town shoppers to come to our city and at the same time satisfy our local residents. I firmly believe a move must be made now to set up an off-street parking program and the purchase of the Ceramic Theater is a move in that direction — a step forward."

"I agree with Melvin," Hancock said. "Everyone complains of the lack of parking space. As councilmen, it is our job to alleviate the situation. The Ceramic looks like a good thing. We haven't bought it yet. I feel we should give three more readings to the

## Judge Places 4 Defendants On Probation

Four of 10 defendants indicted by the April Grand Jury were placed on probation Monday in Hancock County Circuit Court in New Cumberland.

Judge Ralph E. Pryor suspended jail terms for three after petitions for probation were filed by their attorneys.

Given five-year probation after jail terms of 1-5 years each were suspended were Dale Fisher, William Carnes, George C. Fisher and Charles F. Adamson.

Carnes was indicted on four counts of breaking and entering garages in the Chester-Newell areas Jan. 14. He pleaded guilty.

Fisher was indicted on a charge of breaking and entering Betty's Place in New Cumberland and stealing merchandise valued at \$198.75. He pleaded guilty.

Adamson entered a plea of guilty to a charge of petty larceny. He was named in an indictment charging theft of a transistor radio and batteries worth \$51.15 from Wycoff's Television in Chester.

Brady G. Mercer of Newell was placed on two-year probation. Mercer was indicted on a felony charge of theft of \$89.55 in china from the Homer Laughlin China Co. He pleaded guilty to a charge of attempted grand larceny but innocent to the original indictment.

Others indicted and dates for hearings before Judge Pryor include Gale Patrick Freeman, four indictments of breaking and entering, May 17 at 9:30 a. m.; Robert C. Mercer and Homer Fisher, breaking and entering, May 3-4.

Richard C. Ruip, indicted for armed robbery, still is at large after breaking jail in Canton.

Cleveland Mitchell of Aliquippa, named with Adamson for theft of the radio from the Chester store, is in custody in Beaver County and probably will be extradited to Hancock County.

Calvin Reckner of Georgetown was to undergo psychological tests after being named in a felony indictment charging theft of items from a Chester area home.

legislation to allow the public to express opinions."

"A lot of people think income tax money will be used to buy this property," Bucher commented. "If the city buys the property, it will issue bonds and the income from the lot will retire the bonds."

"This hasn't been a project of Council alone," Kelly said. "We've had a lot of valuable assistance from businessmen and our traffic committee. We feel this spot is the best we can find at the present time. We're not interrupting a going business. The Ceramic is dead now."

## Fire

(Continued from Page One)

blistering and charring the baseboards in upstairs rooms, Smith explained.

Flames were confined to the kitchen, which was ruined. A small hole was burned in the kitchen floor when cabinets fell from the wall but the sub-flooring wasn't damaged.

The home is owned by Ray E. Barrett, a son who lives nearby. When the fire first was spotted, neighbors turned in the alarm to the Calcutta department, believing it was in their area. Calcutta firemen responded with two trucks and 10 men.

Another son, Harry Barrett, who also lives next door, notified the east department when he learned of the blaze. The department responded with its truck and 10 men.

dustrial sales representative for the company at Steubenville before being transferred to Canton in May 1954. He was named managerial assistant there two years later and in September 1957 was transferred to Waynesburg as manager.

He has been manager here since July 1958.

Black has been active in many service and civic organizations and recently was presented the East Liverpool Jaycee annual distinguished service award.

There has been no announcement yet as to his successor here.

## Tax

(Continued from Page One)

the collection period, Wilkinson said.

The number of individual returns is much higher under the present law because a number of out-of-state employers which voluntarily withheld the taxes on payrolls in 1958 are not following the same procedure now — which requires that such employee who resides in East Liverpool must make an individual return.

Wilkinson said taxes were withheld in 1958 by Edwin M. Knowles China Co., Taylor, Smith and Taylor Co., Sterling China Co. and Wellsville China Co. They were asked to take the tax money out of payrolls under the present ordinance, but declined, he said.

However, each of the firms has provided the city with a list of its employees so that prospective city taxpayers can be added to the account sheets, he said.

Wilkinson said he recently obtained a list of all employees of the Midland Works of the Crucible Steel Co. Now the tax office must sift through the thousands of names to single out those who are prospective local taxpayers, he said. He said the office also hopes to obtain a list of local residents who are employees of the Homer Laughlin China Co.

But the work on the Crucible and Laughlin lists cannot be accomplished with the present office staff, Wilkinson said.

When the collection period ends April 29, the staff will have to start to mail notices to delinquents, Wilkinson said. Based on past experience, about 25 per cent will not file, he said. About 1,000 reminders will have to be mailed to the delinquents.

"That should bring in quite a few, but 300 to 500 might need a further reminder," he said. "Getting the notices ready and getting them out will take about a month."

## St. Clair

(Continued from Page One)

ed last week that the road will be made part of the Federal Aid Secondary System of highways, the city expects to receive U. S. funds for half the cost.

The new road is expected to be either 24- or 36-feet wide, depending upon specifications laid down by the Bureau of Public Roads, the federal agency processing the application. On that basis, the cost could vary from \$350,000 to \$500,000.

The anticipated approval represents about 18 months of negotiations and conferences with county, state and federal officials, as the application was processed through the county engineer's office, then the State Highway Department and finally the Columbus and Washington offices of the Bureau of Public Roads.

## School Bus Violation Faces Truck Driver

L. V. Patterson of Imperial R.D. 1, operator of a contract mail carrier, is scheduled tentatively for a Municipal Court hearing this afternoon at 3:30 on a charge he passed a halted school bus discharging passengers Monday at 8:35 a. m. on Broadway.

Patterson was cited by Patrolman Charles A. Winters. He operates a truck which carries mail under contract with the government, police said.

Meanwhile, Garrett B. Yost, 208 Mill St., Chester, forfeited a \$17.50 bond today on a charge of passing another auto on a curve. He was cited at 6:55 this morning on Route 30 by the State Highway Patrol.

## Events Set May 21-26

## Graduation Rites Given O.K. For Southern Local

Plans for baccalaureate and commencement for Salineville High School's 41 graduating seniors were approved at a meeting of the Southern Local Board of Education Monday night.

Dr. Rogers Shaw of Kent State University will be speaker for commencement May 26 at the high school.

The Rev. William Buell of the Methodist Church will give the address at baccalaureate May 21 at the school, with other ministers assisting.

The board approved the purchase of three 60-passenger Chevrolet buses with Superior bodies from the Hart Motors Co., subject to final approval by the Ohio Board of Education, which provides funds for the purchases. Cost is about \$6,000 each.

The Lewis Motors Co. of Lis-

bon was the only other bidder on the buses, to replace three 1950 vehicles.

In other action, the board approved continuing contracts for four teachers, and five-year contracts for three. Tuition was authorized for three youngsters at the retarded children's classes at Elkton.

The board agreed to operate the district on Daylight Saving Time April 30 to Oct. 29. In event of fog on highways early in the mornings, bus drivers are to halt and park their vehicles.

The school calendar, with classes starting Sept. 6 and ending June 1, was adopted, duplicating the county school calendar.

The clerk is to notify an increased number of area firms on soliciting bids for cafeteria supplies for a July opening.

## Both Sides Seek Trial In Damage Verdicts

Arguments probably will be heard about June 6 on motions for a new trial, sought by Joseph and Daisy Vuyovich of Midland and the Borough of Midland, the prothonotary's office at Beaver said.

A Civil Court jury Wednesday awarded \$1,000 to Mrs. Vuyovich and \$758.50 to her husband as a result of her injuries in a fall in June 1959 on Beaver Ave.

The plaintiffs asked a new trial on the grounds that the verdict was inadequate while the defendant claims the verdict was against the law and the evidence and was excessive.

Steve Germusa, Council president, said at its meeting Thursday that the borough had asked the insurance company to settle and not take the case to court. He said the borough dropped the company Thursday in order to obtain another more co-operative.

## Adenauer Back Home

DUESSELDORF, Germany (AP)—West German Chancellor Konrad Adenauer returned to Germany today from his talks in Washington with President Kennedy.

According to the 1960 census, the density of population in the United States is 50.4 persons per square mile.

## Tax Policy That Makes No Sense

This is the week that President Kennedy will announce which way the financial winds will blow during his administration. His recommendations on taxation policy are next on the schedule.

If he is a typical Democratic chief executive, he will recommend still more punitive income taxes, ignoring the principle that taxes which are too high stifle the economy that produces public revenue.

If he acts on the promises he has made, on the other hand, he will try to use the federal government's taxing power to stimulate the national economy, using ways that have been recommended by responsible financial experts for the last 10 years.

President Kennedy has the chance of a political lifetime for a showdown on fiscal policy.

Thanks to his background as a member of a wealthy family, he understands how wealth is accumulated and how it can be used to create more wealth.

Thanks to his background as the leader of a political party whose financial policy has been to penalize the possessors of wealth, he would be able to demand in good conscience a rule of reason instead of continuation of a vendetta.

And thanks to his inheritance from the Eisenhower administration of a fiscally sound government which restored faith in the dollar, Mr. Kennedy would have nothing to fear from prudence. The national recession has worn itself out. Tax revenue will be growing.

FEW OF the Kennedy programs that would have cost large sums of money are likely to be enacted this year. The deficit he has predicted may fail to materialize, if only because of the federal government's sheer inability to spend money at the rate

that would be needed to make a deficit materialize.

President Kennedy might even do what long has needed to be done. He might re-examine the federal income tax in the light of what it has become under often haphazard and sometimes malicious administration.

In 1913, when the income tax was first collected, a married taxpayer with two dependents paid \$10 on a \$5,000 net income. No one was concerned about a little tax like that. No one was concerned about the fact the comparable tax was \$25.50 on a \$500,000 income. The rich could well afford to pay.

The tax on a \$500,000 income today is \$411,224. It is \$577 on that \$5,000 income with a wife and two dependents. It hasn't been only the rich who have paid. The federal bite has been wide and deep. And it has done the most damage to earners of middle incomes.

IN CORPORATE taxation, too, the damage has been greatest to companies and corporations hoping to do better someday. Foreign observers from capitalist societies always have wondered why politicians in the United States seemed intent on crippling the source of the wealth that provided their political prestige. To them it has made no sense. It makes no sense to Americans, either.

That is what President Kennedy could do this week. He could ask where the sense is in using federal taxing power to cripple and handicap the national economy. He could pass on the recommendations of financial experts from overdue tax reform that would use the federal taxing power to stimulate the economy, instead of to repress it.

## All The Same Ball Game

With the Kennedy-Adenauer communique on Germany in mind, it is hard to avoid comparing Berlin and Laos. There is a moral from the comparison on dealing with Communists.

Looking back over the hectic, harrowing tension about Berlin in 1960, one fact stands out: Despite all of Nikita Khrushchev's sound and fury, Berlin today is where it was before he made his threat to take it over. The West has not budged an inch, and Khrushchev has not mentioned Berlin for quite awhile.

After months of promoting "peaceful co-existence" to the extent of arranging a summit conference in Paris, Khrushchev shattered the parley before it got under way. It has been conceded that the reason was simple: President Eisenhower and his Western colleagues had said firmly they would not even talk about a change in the status of West Berlin. Hence, no parley.

The screams of Khrushchev were a smoke-screen to cover up his retreat from a threat he was unwilling or unable to carry through.

IN LAOS, the prospect is different.

The Communists sent troops into that remote land, confident that the Laotians themselves would not prove difficult adversaries. They did not. Simple, fun-loving folks, they tried not to hit anybody when they pulled their triggers.

But the United States and its allies were worried. Something had to be done to keep Laos safe from communism and the free world safe from general war.

So President Kennedy and his Western colleagues demanded that the Communists agree to a ceasefire and negotiations look-

ing toward a coalition government for Laos that would include "a few Reds."

Westerners breathed a sigh of relief when Khrushchev indicated he would "back down" in the interests of "peaceful relations."

But why shouldn't he back down? He stands to gain, without the threat of a costly war, about half the government of Laos where before he controlled none of the government of Laos.

THERE ARE STILL other questions to be considered.

Is Laos, despite its strategic position in Southeast Asia, more valuable to Khrushchev than Berlin? Would he be more likely to involve himself in a general war to win Laos than to win Berlin?

It doesn't seem likely.

But from the standpoint of the West's desire to keep Communist control from spreading, Laos should be as important as Berlin. What the West often does not realize in its fervent hope for peace is that it is all the same war to Communists. What they cannot gain in one place at one time they will try to gain in another place at another time.

If they succeed in the second instance, they can be counted on to try again in the first. It will not be long before Khrushchev stirs up more trouble over Berlin.

It is to be hoped that the West's stand there will be as firm as it was in 1959 and 1960.

Also to be hoped is that some day its stand against the Communists' end runs will be as firm as those against plunges into the center of the line. It's all the same ball game.

By H. I. Phillips

## The Once Over

No longer earthbound now is man. He zooms through outer space. To look down on this earth and say "Some small town sort of place!" Alone he rides close to the stars. Where magic wonders loom; He sees our tiny globe and says "Some village, I presume."

II

He says "Excuse my dust" as he Roars through the Milky Way. He winks at Venus and remarks "I'll date that gal some day." The Martians sound their sirens as They show surprise and fear, Inquiring in panic tones "Hey, what goes on up here!"

III

Now Pluto hears a frightful roar And holds on to his hat. As Neptune looks for cover and Cris, hair on end, "WHO DAT?" The cosmonaut jots down a note "The moon some day I'll make— If I can spare the time for it WITHIN MY COFFEE-BREAK."

"I'M SO NERVOUS I could fly," can get you signed up for an outer space these days.

We can't help wondering if Major Gagarin, stepping out of that rocketship after circling the earth in an hour 48 minutes, exclaimed "WHAT'S NEW?" And we keep wondering if his little daughter, Yelena, asked mother "Where's daddy?" directly after breakfast and got the reply "He's girdling the globe. He'll be back any minute."

The thing that floors earthbound man is that Russian major flew around the earth in about the time it takes to get a Pullman ticket properly made out at a railroad ticket window for a trip of 75 miles.

New president of Ford is John Dykstra, Holland born man, who got his early education in night schools, began working in U.S. as an apprentice toolmaker and got his

first job in auto industry with Hudson 40 years ago. He has been vigorous for decades of sloppy workmanship and holds that greatest need in all industries is restoration of pride of workmanship. "Inspectors can't inspect quality," he says. "The best guarantee of quality is pride of individual craftsmanship."

In a day when careless workmanship and an almost total brushoff of top effort is visible in countless trades, Mr. Dykstra's words ring a bell.

A sports magazine proposed to Dan Topping and Del Webb that an award to George Weiss as the top baseball executive of 1960 be mentioned in the Yankee-day opening ceremonies but got a brushoff. Weiss had served the Yanks for 30 years and given them everything he had. He, as much as any other man, was responsible for the team's successes. Figure it out, bub.

Believe it or not a new musical has a song called "Who Put Out the Light That Lit The Candle That Started The Fire That Started The Flames Deep in My Heart?"

Experts say President Kennedy is a better golfer than Ike. Perhaps world troubles are piling up so fast that Jack doesn't get time to make the major mistake of taking eye off the ball.

## Odd Facts

The smallest living creature with a backbone is a tiny fish of the Philippine Islands, named *Pandaka pygmaea*. It measures only slightly more than one-fourth of an inch in length.

In the average American city, at the level of a man's head, there are about five billion dust particles to every breath taken in by a person. In suburban areas, the number is about 125 million.

Employment of married women, according to the 1960 census, increased by some 4,200,000 during the 10 years since the 1950 census. The largest increase occurred among wives of men with higher incomes.

## A Sorry Teammate

## Reuther Reported To Eye New CIO

By Victor Riesel

For two days here last week behind tightly closed and often heavily guarded hotel rooms around town Walter Reuther told his colleagues of the

Victor Riesel

old CIO that he was ready to break with the old AFL and start a new CIO.

First, Reuther said, he would declare open war inside the AFL-CIO. He said he was prepared to take on the powerful conservative leadership of the craft unions and their "ally," President George Meany of the AFL-CIO.

A check by this column of the leaders of 10 of the old CIO unions present at the closed session here in the Hotel Roosevelt's Vanderbilt suite reveals that they are ready for "open war." They said they were "getting nothing" out of the merger of the CIO with the AFL.

Evidence of the anger, the intensity and the seriousness of the CIO caucus called by Reuther and his partner Jim Carey could be seen in the secrecy of their conference on Thursday.

GUARDS WERE POSTED at the door from early morning. At noonmost of the 90 loyal Reutherites had their real scalloped lunch sent in. Only Reuther slipped out for a short while — and that was to plant a propaganda offensive against the old AFL.

For some time now Reuther has been preparing his former followers for an open break with the 13-million-member federation.

One of the most recent of the CIO's confidential caucuses, for example, was held last February in Miami Beach. At that time Reuther laid it on the line.

He produced a copy of a "secret" agreement between Jim Hoffa's independent Teamsters and the 18 AFL-CIO building and construction trade unions.

This pact gave Teamsters support to the construction unions in their drive to put their members in maintenance work within big auto plants, steel mills, oil fields and refineries and in shipyards.

Reuther and the former CIO unions say that their own members are entitled to this work.

For example, John Grogan, mayor of Hoboken and leader of the CIO shipbuilding union, has pointed out that shipyard maintenance and repair work has been done by shipbuilders for 100 years. Now the unions of the electricians, the carpenters, the boiler-makers, etc., want to take over the work.

THE CIO leaders say that this is a raid. They insist that the jurisdiction of the Hod Carriers, the Operating Engineers and the crafts mentioned above is in new construction in other fields.

Tens of thousands of "internal" and maintenance and repair jobs are at stake in this fight.

At the Florida caucus Reuther said that the Hoffa-construction union pact gave Hoffa jurisdiction (hauling) up to the building line and almost everything else inside to the 18 craft unions. This left mighty little, the red-haired one said, to the CIO unions in the plants and at the rocket bases.

Reuther then said he had confronted George Meany with the pact and had asked him to repudiate it. Reuther said that Meany had not done so.

Reuther then told his own CIO people that he wanted their backing in this war or he'd go it alone

and they too could do without him. They told him they'd back him.

A MONTH or so later, Reuther and Carey — who have been getting into violent arguments with Meany — personally dispatched telegrams to the 29 unions which had made up the old CIO.

This was the call to the April 13 caucus. Some 90 of those invited showed and talked in terms of "this is an open split... this is war..."

Jim Carey attacked the AFL-CIO (that is still the formal name) leadership with charges of apathy. There were representatives, for example, of the fiery Mike Quill

of the Transport Workers Union. They had earlier distributed a sharp attack on the construction unions.

The TWU has been striking a big utility here — a company now erecting a \$25 million building. The construction unions have ignored Quill's pickets and have continued to build the new headquarters of the struck gas company. There is no doubt that Quill and many like him are ready to walk out of the merged federation.

Mixed with the anger of the feud is a nostalgia for the old militant type of CIO unionism, circa 1937 sit-downs. That was a vintage year for them.

## 5 Questions On Invasion

By James Marlow

WASHINGTON

Five questions stand at the heart of the anti-Castro invasion of Cuba.

What will Russia do? Why did the invaders pick April 17? What part, if any, did the United States play? Are the Cuban people for or against Fidel Castro? If the invaders win, what kind of government will they set up?

In Moscow the government newspaper *Izvestia* said the Communist world stands behind Castro, called the invaders "American hirelings." The official Soviet news agency Tass said Russia and its allies are ready to help Castro.

Although the Soviet Union and its satellites have given Castro arms, now in his moment of peril further help from them is a long way off unless they send in planes.

There is a limit on what they can do without risking war with the United States.

Twice now in seven years extreme left-wing governments set up in the Western Hemisphere under the American nose have been invaded. In Guatemala in 1954 the government was crushed.

The Communists have been trying to do to the United States what this country has done to them, that is, establish alliances close to American shores. The United States has made such alliances with some of Russia's closest neighbors.

If Castro fails, it would not be surprising to see Russia, or its emissaries, create a crisis for the United States elsewhere. It has been stalling on a cease-fire in Laos, for instance. It could turn Laos into a furnace.

Last Saturday three Cuban air bases were attacked from the air by bombers. Two of the planes later landed in Florida where one of the pilots said he and his companions had deserted the Cuban air force.

This raid apparently was an attempt to destroy whatever planes Castro had left. Two days later came the invasion. They seemed linked. That still doesn't explain why April 17 was the target date.

Perhaps the invaders decided now or never in fear that if they waited much longer Castro might be too well armed to be overcome.

There have been repeated reports for weeks that a number of Cubans have been trained as jet pilots in the satellites and that Castro has received from behind the Iron Curtain a batch of jet planes which are still in crates, waiting to be assembled.

At the United Nations Adlai E. Stevenson denied an offensive had been launched from this country against Cuba. Secretary of State

Dean Rusk again stated the U.S. policy of non-intervention.

But Rusk avoided any flat commitment that this country is not giving back-door aid to the rebels. Nor did President Kennedy at his news conference last week say the United States would not help anti-Castro rebels.

He said neither Americans nor American armed-forces would intervene in Cuba.

But the New York Times has said flatly Cuban exiles for nine months have trained in this country and Central America for invasion.

What still isn't clear is how many Cubans share the anti-Castro feelings of the rebels. The invaders will have their hands full if most of the Cuban people are pro-Castro.

Cuba has had a long history of dictatorship, and revolts. The anti Cuban exiles in this country range from right to liberal, to say the least. Last month they got together in a coalition called the Cuban Revolutionary Council.

This togetherness may last no longer than it takes to crush Castro. Then who wins, if they win, is anyone's guess.

## Gems Of Thought

FAMILY LIFE

The greatest thing in family life is to take a hint when a hint is intended — and not to take a hint when a hint isn't intended.

—Robert Frost

A happy family is but an earlier heaven.

—Sir John Bowring

As are families, so is society.

—William M. Thayer

With one Father, even God, the whole family of man would be brethren.

—Mary Baker Eddy

A man cannot leave a better legacy to the world than a well-educated family.

—Thomas Scott

Family life is too intimate to be preserved by the spirit of justice. It can only be sustained by a spirit of love which goes beyond justice.

—Reinhold Niebuhr

Physicists believe the particles thrown off by the sun are hydrogen portions and electrons. Besides creating the aurora borealis, the particles are responsible for magnetic storms which disrupt radio communication.

British bird lovers have chosen the robin as their national bird, through the correspondence columns of the London Times. The red grouse finished second in the voting and the wren, third.

## Fact Or Fancy?

By David Lawrence

### Was Soviet Space Flight A Hoax?

Was the Soviet stunt in outer space, as announced officially from Moscow, a hoax? Granted that something went around the earth, was a man really in it, or did the astronaut merely make a separate flight similar to that which an American airman, Joseph Albert Walker, recently made in a David Lawrence X15 rocket plane at an altitude of 32 miles?

These questions are being asked by scientists because there are some obvious discrepancies in the boastful account of his trip given by Maj. Gagarin.

First of all, Gagarin says he was over South America 11 minutes after he started. This couldn't be right and the tracking data collected by Americans tells the story of this gross exaggeration.

Second, Gagarin says he came down by parachute. It is now being inferred by a Russian scientist that the satellite may actually have glided to the earth.

Maj. Gagarin, in his first interview, said: "While flying over Soviet territory, I saw perfectly great squares of collective farms. It was possible to distinguish between plowed land and grass land."

The Russian major declared how he saw all this through portholes but it isn't clear whether this vehicle had portholes. In fact, Dr. Anatoli A. Blagonravov, a noted Russian scientist, interviewed at Rome at an International Space Symposium, said at first that there were no portholes in the ship but later declared there were "slits."

Can the human eye really see 200 miles away through portholes or "slits"? It might distinguish large formations such as the lines on the moon but it seems incredible that Maj. Gagarin could have seen anything as relatively small as meadows or fields such as he described.

CHRISTOPHER SHAWCROSS, chairman of the British section of the International Institute of Space Law, is quoted in a Reuter's dispatch from London as saying a protest had been launched with the International Aeronautical Federation in Paris against an attempt by the Moscow government to seek registration of the space flight as an altitude record for man. He said the published evidence of the flight was not credible.

Walter Sullivan, a science writer for the New York Times, says in an article published over the weekend: "Three days after man's first space flight there are still several puzzles concerning the circumstances of the trip. They pertain to its timing, the presence or absence of portholes in the manned capsule and the manner in which the occupant returned to earth...."

Just why would the Russians concoct the story if it isn't entirely true? One answer is that the Communists have no morals — they regard lying as a legitimate device in national and international politics.

Just now it is important for Nikita Khrushchev to divert the attention of the Russian people from their hardships and to appeal to their national pride.

History records that the czars of another era also engaged in huge spectacles, parades and displays to impress the people and cause them to forget or put aside their woes.

The Communists have much to explain. Scientists throughout the world will remain curious.

Science has a way of probing into such things. Already the Soviet government has declined to make its data public. Secrecy is always the refuge of totalitarian governments which do not hesitate to try to fool not only their own people but the whole world.

## Letter To The Editor

I would like to express a few of my thoughts to the voters of East Liverpool.

We voted both the city income tax and city hall out in 1959. Well, let's do it again! They have let us down so bad! They are a disgrace to the Democratic party.

Do you remember before this bunch were elected saying they crammed the income tax down our throats and give East Liverpool back to the people! Well, let's try it again! When our votes don't count, there is something wrong in City Hall! They seem to forget we have to work for our money. Let's vote them out. Don't leave one rotten apple in the barrel.

## Down Through The Years

From The Review Files

THIRTY YEARS AGO — Frank O. Gibson was ordained as an elder of the Midland First Presbyterian Church.

Ella Thompson was installed as noble grand of the Maid of Indian Rocks No. 525, Rebekah Lodge.

Charles O. Weaver, a life-long resident of East Liverpool announced his candidacy for the Republican nomination for clerk of Municipal Court at the primary election.

TWENTY YEARS AGO — T. A. McNicol was re-elected president of the Buckeye Club.

Patrolman George Kidd was placed on the East End beat. The East Liverpool Junior Chamber of Commerce observed its second anniversary.

TEN YEARS AGO — Members of the Tri-State Gospel Mission held a ground-breaking ceremony for the new church on Montana Ave., Pleasant Heights. Mrs. Ruby English was wel-

"The timetable issued in Moscow said the vehicle had reached the sky over South America within 15 minutes. However, there is no point in Soviet territory from which an orbiting vehicle could come close to South America in so short a time."

There's another mysterious aspect. The Daily Worker, a Communist newspaper in London, published an article on the flight before it was officially announced as having happened.

The article spoke on April 7 of the flight as having already occurred when it wasn't announced or tracked by American observing stations as in orbit until five days later.

The Communist newspaper revealed that the astronaut, son of a Soviet plane designer, was under medical care. Later on, Russian scientists in Moscow denied that the earlier flight had occurred.

THE SOVIETS are past masters at deception. It could be that they did have a man in flight and that the stunt failed. Not to be denied their laurels, the Communists may have substituted the experience of one of their high-flying airmen who may have simulated the kind of altitude venture which the American, Joseph Albert Walker, achieved with his X15 rocket plane.

The sensations experienced might well have been identical with those encountered by a man in orbit. After all, to go 32 miles into the air might bring exactly the same sensations and perhaps even perhaps some observation of meadows and fields, similar to those exultantly described by Maj. Gagarin.

It probably is true that the Russians sent a satellite around the earth in 90 minutes. America has done this too. It is also probably true that Maj. Gagarin went high into the air, but whether he traveled around the earth as claimed, or merely achieved a high altitude in the air, remains an unsolved mystery.

Just why would the Russians concoct the story if it isn't entirely true? One answer is that the Communists have no morals — they regard lying as a legitimate device in national and international politics.

Just now it is important for Nikita Khrushchev to divert the attention of the Russian people from their hardships and to appeal to their national pride.

History records that the czars of another era also engaged in huge spectacles, parades and displays to impress the people and cause them to forget or put aside their woes.

The Communists have much to explain. Scientists throughout the world will remain curious.

Science has a way of probing into such things. Already the Soviet government has declined to make its data public. Secrecy is always the refuge of totalitarian governments which do not hesitate to try to fool not only their own people but the whole world.

What do we have to lose? You know what they have done, take a chance on someone else. I own property and my taxes has more than doubled since I bought it. I would like to sell out before the reappraisal hits us in 1962. I suppose by that time they will need another raise in salary.

How did the city exist before parking meters? Did the meter money get us anything we didn't already have? If it did, I failed to see it. How about our Water Department? Just paid it off last year, now a raise in rate. We have already taken a beating on the sewerage deal.

## Board May Seek Loan To Pay Faculty

For the first time in two years, the Board of Education is faced with the possibility of borrowing funds to meet the teachers' payroll on Thursday.

The board approved a resolution Monday night authorizing Miss Kathryn Liebschner, clerk-treasurer, to borrow \$40,000 if tax funds are not received from County Auditor Kenneth Bell before the payday.

Miss Liebschner explained the payroll will amount to about \$72,000 but the board has only \$36,564 available in all funds, including \$196 in the general operating account.

Twelve teachers were granted continuing contracts last night and two resignations were accepted.

Granted continuing contracts were Esther Bryan, Mary Ruth Bebout, Ruth Dawson, Minnie Gillespie, Dolores Hughes, Patricia Kapp, Lillie B. Leonard, Dortha Pattison, Martha White and Pauline Smiley, all elementary teachers; Sally Hamilton, a junior high instructor, and E. King Mathews, director of vocal music.

The resignations of Austen Moore, high school driver training instructor, who has been on leave of absence this year, and Roberta Warner, an elementary teacher who joined the staff in September, were accepted.

The board also voted to pay \$150 in tuition for each child from the district attending the retarded children's class at Elkton.

Seven have attended for the full term and an eighth has been attending during the second semester to make the board's total cost \$1,125, the same amount it paid last year. It is permitted to pay up to the average cost per child, which in the district's case would be \$281, Supt. Ralph W. Betts explained.

The board delayed action on rental of the Memorial Auditorium to the Lions Club for a wrestling show and Job's Daughters for installation of officers when both sought the building for June 3.

The Lions filed its application last week and the Masonic group submitted an application yesterday, Betts said. He was authorized to approve the rentals if a satisfactory solution can be reached.

Betts also reported on the approval granted the high school by the North Central Association of Colleges and Secondary Schools, explaining half the Ohio high schools did not receive unqualified approval.

## 2 Beaver Students Win Science Awards

Two Beaver Local High School students have won awards for their displays at the Buhl Science Fair in Pittsburgh.

Beverly Jean Windle, a junior, won a special award from American ceramics while Gabriel Van Ludmann, a freshman, took second place in general science.

Miss Windle is the daughter of Mr. and Mrs. Charles Windle of East Liverpool R. D. 2. Van Ludmann, a native of Austria, is the son of Mr. and Mrs. Gabriel Van Ludmann of Fredericktown.

They will be presented their awards at a special program Friday night at the Buhl Planetarium. Their teachers also will be cited. Miss Windle's teacher is Walter Lineberry and Bruce Costanzo is Van Ludmann's.

## Elderly Clinton Man Hit While On Road

An 80-year-old Clinton man is in Sewickley Valley Hospital with injuries received when hit by a skidding truck while he was walking west on Route 30 Monday at 2:20 p. m., Pennsylvania State Police reported.

Robert Stevens of Campmeeting Rd., Clinton, received a broken collar bone and two broken ribs, the Carnegie barracks reported.

Police said Stevens was hit by the corner of a bed of a truck driven east by Martin Saffron, 53, of Imperial. Police said two vehicles stopped in front of Saffron, who applied his brakes. He saw Stevens and cut sharp to miss him, but the back of the truck skidded, hitting the pedestrian.

Both Punksutawney, Pa., and Sun Prairie, Wis., claim to be the official residence of the ground hog.

## Contract Let For Grader

IRONDALE — The Board of Trustees of Saline Township has awarded an order to the Howard E. Adams Construction & Machine Co. of Salineville for a new road grader.

The Salineville firm bid \$11,039 for a 1961 model Huber - Warco diesel-powered grader. The Adams Co. allowed trustees a total of \$6,666 in trade-in value for a 1951 Galion grader.

Frank Scarabino, president, said delivery of the grader is expected by April 28. Robert Blackburn is the township's road supervisor and will operate the new equipment.

The other two bidders were the Ohio Machine Co. of Youngstown, which wanted a \$17,000 difference in price between a new grader and the township's 10-year-old model, and the Rish Machine Co., over \$15,000 difference.

Trustees accepted the bid of the Adams Co. at a special meeting Monday at the home of Mrs. Beula Billie, clerk of the board.

The board has purchased a concrete block building on the former property of Hugh Saltzman of New Somerset Hill for housing road maintenance equipment.

## Palestine Board Told 2 Teachers Will Be Needed

EAST PALESTINE — Increased enrollment for 1961-62 — including the largest Freshman Class in the school system's history — will require two new teachers, Supt. T. R. Hersh told the Board of Education Monday night. Supt. Hersh said the Freshman Class is expected to total 201. He said an additional grade school and high school teacher will be required.

The board appointed Edgar Hoopes, biology instructor, as faculty director of athletics, succeeding William Ward, who held the post for over 30 years.

Henry Klitz was appointed school enumerator and will begin his work in May.

The board accepted the resignation of Mrs. Ann Beck of Columbiana, speech therapist for two years.

Myron Goodwin, Youngstown architect, reported a number of contractors are interested in bidding for the construction of a number of school facilities under a \$650,000 improvement program.

## Car Rams Steps Of Lodge Home

EAST PALESTINE — Charles H. Eyster, 22, of 716 E. Main St., driver of a car which rammed the steps of the Eagles Lodge on E. Taggart St. early this morning, is due for a hearing today on a charge of driving while intoxicated.

Eyster was arrested about 3 a. m. on E. Taggart St. near the shopping plaza by Patrolman Wayne Huston. He was driving a 1959 sedan owned by Miss Olga VanFossan, 716 E. Main St., which received about \$100 damage.

Damage to the steps and railing at the lodge home amounted to \$300, officers said. Eyster was driving east on E. Taggart when the mishap occurred.

He is due a hearing before Mayor Robert Harding.

Ever top thawed frozen raspberries with cream cheese whipped to a fluff with a little milk or cream?

AS A PART OF THE local observance of National Library Week, a Teen Reading Council was organized Monday at Carnegie Library. Left to right, seated, are Roger Hicks, Bob Gilmore, Boots Erwine and Vilas Gamble; standing, Terry Calhoun, Lois Berman, Colin Brown, Frances Gallo, Sue Montgomery, Terry Persohn, Donna Duke and Valerie Staherek. Miss Erwine and Gilmore are co-chairmen and the others, committee members. They are among 55 representatives from the city's four schools who will explain to their classmates the use of the new library department being established for Grades 7-10.

## Elkton PTO Will See Movies At Meeting On Wednesday

Dr. J. E. Jones of Lisbon will screen movies at a meeting of the Elkton Parent-Teacher Organization Wednesday night at the school.

Mrs. Leland Baker will be in charge of the program at a meeting of the WSCS of the Elkton Methodist Church Wednesday night with Mrs. Ralph Apple. Mrs. Earl Smith will lead devotions.

A benefit card party will be held at the Elkton School Friday night by the women's auxiliary of Boy Scout Troop 108. Mrs. Bert Dailey is president.

The Boy Scout Troop and Cub Scout Pack will receive charters and flags at the morning service at the Methodist Church Sunday.

Mrs. Carl Henry and daughter of Canton are visiting her parents, Mr. and Mrs. Thomas Griggs, of Cream Ridge Rd.

## Cancer

(Continued from Page One)

early detection and proper treatment, she said. Twenty years ago, only one out of seven who developed the disease, was saved while today it is one out of three, she said. With adequate public support and personal action, it could be one out of two, she added.

Area captains heading the drive include Mrs. George McGaffie, Klondyke; Mrs. Harry Fouse, Taft; Mrs. Winston Myers, Horace Mann; Mrs. Reid Densmore, LaCroft and Fisher Park; Mrs. Carl Allen, Beechwood; Mrs. Karl Taylor, Dixonville; Mrs. Dale Channels, Pleasant Heights; Mrs. David

E. Beatty, St. Clair Ave. and Park Blvd.

Mrs. Francis Maley, McKinley; Mrs. Mary Hughey, Neville; Mrs. Leonard Kupchinsky, Radio Heights; Mrs. Clifford Cooper, Garfield; Mrs. Crawford, Lincoln; Mrs. William Persohn, Shadyside and Kountz Aves.

The auxiliary of the Glenmoor volunteer fire department will canvass Glenmoor and the Calcutta Mothers Club will be in charge of the drive in Calcutta. Members of the East Liverpool High School Key Club will canvass downtown and the West End area. Women of the Civil Defense unit will staff the headquarters at City Hall Wednesday night.

## Legion Gives Youth Funds

American Legion Post 374 donated \$60 to the 10th District junior baseball program at its meeting Monday night.

John Klinsky reported on the junior program and announced the national league division will meet May 7 at Post 33 in Steubenville.

Twenty-five attended the meeting at which new flags were presented to Navy Mothers Club 197 and Chief James Pattison, local Navy recruiter. The presentations were made by James Cregar, commander, and Robert Milne, Americanism officer.

Howard Shaw was enrolled as a new member. John Long, second vice commander, reported membership at 514.

Cregar appointed John Ruhe to head the committee for the Cancer Fund drive conducted by the post.

Mrs. Virginia Mast, a service officer for the County Soldiers & Sailors Relief Commission, will be a guest at the joint meeting May 1 with the auxiliary.

Films on the operation of the nuclear submarine Nautilus and "Operation Inland Seas" were screened by Pattison and Frank L. Thompson, also a Navy recruiter.

## Here And There In District

News From East Liverpool And Vicinity

### Lisbon Marriage Licenses

John Johnston, china decorator, Salineville, and Leah Elliott, school teacher, Hillcrest.

John Joseph Gallagher, sales representative, Long Island, N.Y., and Carolyn Sue Grappo, secretary, East Palestine.

Howard Green, salesman, and Sara Elizabeth Moore, Salineville.

Dale Wilson, carpenter, Minerva, and Bonnie Simones, Minerva, R. D. 2.

Clyde A. Cunningham, Navy, and June E. Dailey, clerk, East Liverpool.

Orphie W. Hissam, truck driver, and Ruth E. Lister, machine operator, East Liverpool.

### Cubs Tour Radio Station

Members of Dens 1 and 2 of Cub Scout Pack 34 of the Pennsylvania Ave. Methodist Church toured radio station WOHI Saturday afternoon. Mrs. Pat Harris, Mrs. Martha Stalter and Mrs. Martha Dingess, den mothers, were in charge.

### Navy Man Ends Training

Ret. Crawford E. Rayl, son of Mr. and Mrs. Ralph H. Rayl of 8th Ave., LaCroft, was graduated recently from recruit training at the Naval Training Center at San Diego, Calif.

### Public Cream Chicken Dinner

home made noodles and biscuit, vegetable. Adult \$1, children 50c. Oak Ridge Church, 5 to 8 p.m. April 26.—Adv.

### Navy Man In Florida

Aviation electrician's mate 3C Rocco R. Albanese, son of Mr. and Mrs. Carl Albanese, 1629 Clark Ave., Wellsville, is serving at Whiting Field Naval Auxiliary Air Station at Milton, Fla.

### Rummage Sale Under Way

Homeroom mothers of Horace Mann School are holding a rummage sale daily this week through Saturday from 10 a. m. to 8 p. m. in the IOOF Building. Proceeds will be used for school projects. Mrs. June Twyford is chairman.

### Glenmoor Legion To Meet

Glenmoor American Legion Post 736 will meet tonight at 8 at the post home. Ronald Hopper, commander, will preside.

### Dr. James Jackson, Optometrist

Eyes examined. Glasses fitted. 606 Dresden. FU 5-9476.—Adv.

### Sales Tax Hits \$32,765

Sales tax collections in Columbiana County for the last week of March continued to lag behind collections in a corresponding 1960 period. State Treasurer Joseph T. Ferguson said today. Collections for the week ending April 1 totaled \$32,765, a drop of \$5,965 from the \$38,730 received in the same week in 1960. Total collections since last July 1 are \$1,327,906, a decline of \$88,896 from the \$1,416,802 collected in the corresponding period from July 1, 1959 to April 2, 1960, he said.

### Street Sweeping Schedule

Fourteen downtown area streets are scheduled for cleaning by the street department's mechanical sweeper tonight and Wednesday night. Starting at midnight tonight, the sweeper will work on the south side of 3rd, 4th, 5th, 6th and 7th Sts. and the west side of Monroe, Jefferson, Jackson, Market, Dres-

den, Washington, Broadway and Lincoln. In the work starting at midnight Wednesday, it will clean the north sides of the east-west streets and the east sides of the north-south streets.

### Stolen Car Recovered

A 1955 Chevrolet sedan which M. & A. Motors reported stolen was recovered Monday afternoon at Grimm's Bridge by deputies from Sheriff Russell Van Fossan's office, police were advised. The firm told police the car was stolen between 11 p. m. Saturday and 10 a. m. Sunday.

### Buckeye Club Open For Lunches

every day. Business man's special from noon to 7 p. m.—Adv.

### \$55 Netted In Gas Sale

A total of \$55 was collected by Lawrenceville men in operation of the Chaney Service Station at Chester Sunday to raise funds for equipment for two teen-age baseball teams. Don Brown, Lawrenceville director for the South-side Hot Stove League, announced today.

### Scouts Attend Camp

Thirty-three Cub Scouts and four Boy Scouts from Pleasant Heights visited Camp McKinley near Lisbon Saturday for a cook-out and hike. Walter Sillman and Carl King, leaders, were in charge of the outing.

### Highlandtown PTA To Meet

John F. Baker, executive head of Southern Local School District, and Robert Beatty, architect for a proposed new district high school, will be guest speakers at a meeting of the Highlandtown Parent-Teacher Association Friday night at 8. New officers will be elected. Lunch will be served.

### Goat Milk

For sale at St. Clair Dairy. Phone FU 5-1779.—Adv.

### City Reservists To Drill

1st Lt. James Fox will conduct a class on individual weapons qualification at a drill of Co. A, 7th Medium Tank Battalion of the local reserve unit tonight at 7:30 in the Poplar Ln. Amory.

### Post-Prom Group To Meet

The Newell Post-Prom Committee will meet Wednesday night at 7:30 at Wells High School. William Wurzel is president.

### Chester Council To Meet

Routine business is expected at a meeting of Chester Council Wednesday night at 7:30 at the City Hall, Mayor Ray Collins reported.

### Patrick's Turf Bar

The nicest spot in town. Beautiful room for private parties.—Adv.

### Wednesday Trash Schedule

Here's the incinerator department schedule for trash collections Wednesday: E. 2nd, 3rd, 4th and 5th Sts., Broadway, Walnut St., Elm St., College St., Sugar St., Thompson Ave., Vine St. and Blakeley St.

### CD Groups To Meet

The 2nd and 5th Platoons of the 31st Mobile Support Group of Civil Defense will meet tonight at 8 at the Glenmoor fire station.

### Irontale Dance Planned

The Masonic Club of Irontale will sponsor a public round and square dance Saturday night from 9 to 12 in the gymnasium of Stanton Local High School. Sam Harris of Wellsville will be caller.

### Sylvia's Lounge

Formerly Park Place. 1314 Penn. Ave. Open for business under new management. For good fun, snacks, and your favorite drink, watch for the grand opening.—Adv.

### County Firemen To Meet

The Columbiana County Firemen's Association will meet Wednesday night at 7:30 at the Washingtonville fire station. Chief Robert Lewis of Wellsville is president.

### Water Board To Meet

The Midland Municipal Authority will hold its business meeting Wednesday at 7:15 p. m. in Council Chambers in the Borough Building. It will meet with Council and representatives of the Midland Works of the Crucible

Steel Co. to discuss sewage treatment rates for Crucible's sanitation system. Dr. Zavel Sigal is authority president and Steve Germusa, Council president.

### 2 Attend Arson School

Fire Chief Charles Bryan and Fireman Russell Dray attended arson school at Poland Sunday. Arson detection experts from the Columbus Fire School were instructors for the six-hour course.

### Coca-Cola Bottling Co.

One standard bottle of coca-cola contains less calories than a cup of skim milk.—Adv.

### July 4 Group To Meet Later

Due to unavailability of members, the Executive Committee planning Midland's July 4th celebration will not meet tonight. Mrs. Malena Westlake, secretary, said. Next meeting will be announced.

### Boys Must Pay Damage

Two Wellsville youths, 16 and 18, charged with breaking windows in Wellsville buildings in recent months, were ordered to pay \$282 in damages by Juvenile Judge Louis Tobin Monday at Lisbon. The two pleaded guilty and were also fined \$25 and costs each, and placed on probation under a 7 p. m. curfew.

### Beaumont Group To Practice

Mrs. Thomas Wolfe, president, announced an officers' practice will be held by Social Order of Beaumont Assembly 71 Wednesday at 7:30 p. m. at the Masonic Temple.

### Out They Go

All wool, better spring coats and suits, all sizes. Salesmen samples, \$10. Dresses, \$4. It's wise to be thrifty. Metz Fur Co., 118 W. 5th St.—Adv.

### Births Reported

Mr. and Mrs. Warren Dunlap of New Cumberland R. D. 1, a son, April 17, at the Weirton General Hospital.

Mr. and Mrs. H. Douglass Gregory of Montrose, Colo., a son, Scott Douglass, April 17, at Montrose Hospital. The mother is the former Gracie Lee Huff, daughter of Mr. and Mrs. Paul Huff of Pughtown. The father is the son of Mrs. Harold Gregory of Louisiana Ave., Chester.

Mr. and Mrs. Richard George of East Fairfield, a son, April 15, at Salem City Hospital.

Mr. and Mrs. Gail Freeman, 232 W. 3rd St., a son, April 17, at City Hospital.

Mr. and Mrs. Robert Bickie, 502 1st Ave., a daughter, April 18, at City Hospital.

Mr. and Mrs. James Wallace, 314 Indiana Ave., Chester, a daughter, April 18, at City Hospital.

### With The Patients

Robert E. Henthorn, 734 Sophia St., was scheduled to undergo surgery today at the Oakland Veterans Hospital at Pittsburgh.

Hugh L. Smith of Birch Rd., near Calcutta, is a patient at the Osteopathic Hospital.

Melvin Brown, 1560 Pennsylvania Ave., is under observation at City Hospital.

Mrs. Essie Leasure, 345 W. 6th St., remains in "critical" condition at the Osteopathic Hospital with an illness and complications.

William Vinsich of Industry was admitted Monday at Rochester General Hospital. Discharged were Mrs. Richard Bateman and daughter and Mrs. James Green and son, all of Midland, and Mrs. Chester Looman and son of Hookstown.

Mrs. Hazel Householder of Pine Grove, Hammondville, is a patient in City Hospital. She was admitted two weeks ago.

Jack Maltich, son of Mr. and Mrs. William Maltich, 1051 Pennsylvania Ave., is a patient at the Veterans Hospital in Pittsburgh.

Miss Louise Robinson, 1052 Penn. Ave., Chester, has returned home from City Hospital.

Miss Martha Merriman, 11, daughter of Mr. and Mrs. Howard Merriman, 1211 Lisbon St., is recuperating at Youngstown South Side Hospital after surgery Monday.

Spence Kell, 519 Harrison St., Newell is recuperating at home after suffering broken bones in his foot in a fall on the steps of the Newell post office Monday afternoon.

Mrs. Theda Campbell, 509 Jefferson St., Newell, is a patient at City Hospital.

Daimler was the inventor of the gasoline engine.

### Deaths and Funerals

## Death Claims T. F. Cairns

Thomas F. Cairns of Coolidge Ave., a retired potter, died at 1:30 a. m. today at City Hospital following a brief illness.

Mr. Cairns was born in Salineville, a son of John and Ellen Murray Cairns. He was employed as a turner at the Homer Laughlin China Co. before retiring in 1956.

Survivors include his widow, Mrs. Nina Finley Cairns at home; a son, Robert Cairns of the Y. & O. Rd.; a daughter, Mrs. M. E. Parsons of New Bremen; a brother, John Cairns of Glenwood; three sisters, Mrs. Anna Kirkham of Sebring, Mrs. A. W. Phillips of Wellsville and Mrs. Harry Johnson of Ambridge, and four grandchildren.

Services will be held Thursday at 11 a. m. at the Dawson Funeral Home by the Rev. M. Rudolph Miller of the Trinity United Presbyterian Church. Burial will be in Columbiana County Memorial Park.

Friends may call Wednesday at the funeral home.

### Samuel Garner

Samuel J. Garner of Warren, a native of East Liverpool and a retired potter, died Monday of a cerebral hemorrhage at the Trumbull Memorial Hospital at Warren, where he had been a patient 10 days. He was 83.

Mr. Garner was born Aug. 24, 1877, in East Liverpool. He was employed at the Taylor, Smith & Taylor Co. before his retirement in 1944. He was a member of the Eagles Lodge at Niles and the Volindale Church of the Nazarene.

Survivors include his widow, Mrs. Della Lola Garner at home; three sons, Warren Garner and Samuel Garner, both of Warren, and Robert Garner of Cortland; two daughters, Mrs. Raymond Stowe and Mrs. William Blythway, both of Cleveland, and 13 grandchildren.

Services will be held Thursday at 1:30 p. m. at the Roberts Memorial Funeral Home in Warren. Burial will be in Crown Hill Cemetery at Vienna, near Warren.

Friends may call at the funeral home Wednesday from 7 to 9 p. m.

### Mrs. Mary Wylie

Mrs. Mary Elizabeth Wylie, 85, a native of Chester, died Monday at 8:30 p. m. at her home in East Springfield, after an illness of four months. She had been in ill health three years.

Mrs. Wylie was a resident of East Springfield for the past 30 years and was a member of the Methodist Church. She was born Jan. 29, 1876, in Chester, daughter of George and Catherine Butler Needham.

Her husband, John P. Wylie, died March 20, 1959. Survivors include five daughters, Mrs. Dola Modransky and Miss Helen Wylie, both at home, Mrs. Catherine Stone of East Springfield and Mrs. Esther Crago and Mrs. Lola Linscott, both of Weirton; two sons, John Wylie of Melbourne, Fla., and Frank Wylie of Detroit, and 18 grandchildren and 30 great-grandchildren.

Services will be Thursday at 2 p. m. by the Rev. Loman Fish. Burial will be in the Ft. Steuben Burial Estates at Steubenville.

Friends may call at the Sweeney Funeral Home in Amsterdam.

### C. F. Daugherty

C. F. Daugherty of Ft. Wayne, Ind., former East Liverpool resident, died April 12.

Mr. Daugherty was former division engineer for the Ohio Power Co. office here between 1936 and 1938. He came to East Liverpool from Portsmouth.

At the time of his death, he was division commercial and industrial sales supervisor with the Indiana - Michigan Electric Co. at Ft. Wayne.

He is survived by his widow and two sons.

### Mrs. Helen Wiant

Mrs. Helen Carpenter Wiant, 236 W. 4th St., died at 9:15 a. m. today at the home of a daughter, Mrs. Harry Simpson, 830 Chester Ave., following a long illness. She was 74.

Mrs. Wiant was born in Lisbon, a daughter of William and Ella Covert Carpenter. Widow of Flemming Wiant, she was a lifetime resident of East Liverpool.

She was employed in the gold stamp department at the Taylor, Smith & Taylor Co. before retiring in 1948.

Survivors include another daughter, Miss Jeanne Wiant at home; a son, Robert Wiant of Los Angeles; a brother, William Carpenter of East Liverpool and four grandchildren.

The Dawson Funeral Home is in charge of arrangements.

### John Vuicich

Services will be held Wednesday at 10 a. m. at the Cannon Funeral Home at Midland for John Vuicich, 76, a former Midland resident, who died Sunday at the Beaver County Hospital Annex in Center Township.

Donald Devich, minister of the Midland congregation of Jehovah's Witnesses, will be in charge. Burial will be in Oak Grove Cemetery at Industry.

Friends may call any time at the funeral home.

## Suspect Held For Court On Theft Charge

William Ellis Porter, 2018 Buckeye Ave., Wellsville, waived a preliminary hearing when arraigned Monday before a U. S. Commissioner at Youngstown on a charge he attempted to take \$3,500 from the Central Federal Savings & Loan Association, 601 Main St., Wellsville.

Porter, 22, a custodian at the firm, entered a plea of not guilty. Commissioner Henry Robinson set his bond at \$1,000 and bound him to the Federal District Court at Cleveland.

Porter was released after posting bond. Commissioner Robinson said he will be notified by the court when to appear for trial.

The shortage was discovered Friday and Porter was taken into custody at the bank Saturday afternoon. The money never left the building. Porter had hidden it in the basement, the FBI said.

He took the money from the vault during regular hours, it added. Porter was charged with "abstracting" the money from Central Federal, according to Edward E. Hargett, special agent in charge of the Cleveland office of the FBI.

Prosecution was authorized by Assistant U. S. Atty. Burt W. Griffith of Cleveland.

Porter had worked for Central Federal about four years. He had been employed as full time custodian for the past two.

His arraignment was shortly before noon yesterday. He had been held in the Mahoning County Jail at Youngstown.

### Sewage Project Set

#### For New Waterford

NEW WATERFORD — Construction will start May 1 on the village's new \$275,000 sewage treatment plant and sewer line system, following signing of contracts for the facility to be in operation by fall.

Contracts have been signed with the Herman Brothers Construction Co. of Youngstown, which will build seven miles of sewer for \$169,000, and with the Hextro, Inc., firm of Girard, which is to build the plant for \$62,088.

The village approved a \$35,000 bond issue last year, received a \$160,000 Federal Housing Agency loan and was given a \$32,200 grant by the Health, Education and Welfare Department.

### Truck Strikes Wall,

#### Careens Into Garage

NEW CUMBERLAND — Heavy damage resulted to a truck operated by Charles H. Byrne of R. D. 2 in a crash on State Route 2 today at 3 a. m.

Police Chief William Webster said Byrne was "traveling north when he lost control, struck a wall, then hit a garage owned by the federal government and used by Lock 9.

## Former Wellsville Brick Plant Head Gets New Post

The appointment of Paul T. Talbott, formerly of Wellsville, to the newly-created position of assistant superintendent of the Clay Division was announced today by E. L. Miller, president of the American Vitified Products Co. at Cleveland.

The company recently completed construction of a multi-million dollar clay pipe plant at Somerville, N. J.

It has sewer pipe plants in East End and at Lisbon.

Talbott will have headquarters in Akron. He has had many years of experience in the ceramic industry. From 1957 to 1961 he was general superintendent of the McLain Works of the Refractories Division of the H. K. Porter Co. at Wellsville. In this position he was responsible for the operations of seven plants and six clay mines.

From 1946 to 1957 he was superintendent of Porter's Buckeye Works at Wellsville. Here he supervised the company's fire brick plant and underground clay mine.

Talbott left Wellsville about three months ago.

Talbott also served as a research engineer in ceramic materials for the Battelle Memorial

Institute at Columbus and as an experimental engineer for the Cerro de Pasco Corp. in Peru. Educated in public schools in Illinois, Talbott has a B.S. degree in ceramic engineering from the University of Illinois. He also did post-graduate work at Ohio State University in industrial management, economics and labor relations.

He is a professional engineer, registered as a ceramic engineer in Ohio and also holds a special license as a clay mine foreman. He is a member of the American Ceramic Society, American Management Association and the Society for Advancement of Management.

This announcement follows the expansion program set forth by American Vitified last year when the Somerville plant was put on stream. Recently, the company purchased Lehman Sewer Pipe Co. in New York, one of the nation's largest clay pipe distributing companies.

In the 1960 fiscal year, American Vitified earned \$508,042, or \$2.40 per share, on sales of \$13,080,844.

American Vitified has 13 plants and regional offices in eight cities.

## Circle Of Fairfield Church Will Convene Monday Night

The Joy Circle of the WSCS of the East Fairfield Methodist Church will meet Monday night with Mrs. Winifred Gorbey. Mrs. Marjorie Vollnogle will be co-hosts.

Sunday dinner guests of Mr. and Mrs. Nelson Lower were Mr. and Mrs. Wilmer Yarian of Columbiana and Mr. and Mrs. Albert Schmidt and Mr. and Mrs. Alvin Yarian, all of New Waterford.

Guests of Mr. and Mrs. G. E. Tenney Sunday included Mr. and Mrs. Harold Shipp and Mr. and Mrs. Sam Lewis of Woodsfield.

Sunday dinner guests of Mr. and Mrs. Chalmers Morris were Mr. and Mrs. Richard Noel of Columbiana R. D. and Mr. and Mrs. Edward Gorbey of New Waterford.

Mr. and Mrs. Glen Cope of Berea spent Sunday with his parents, Mr. and Mrs. Alva Cope.

Mr. and Mrs. Henry Zimmerman spent Sunday with her parents, Mr. and Mrs. Ed Veon, of Darlington.

Mrs. Marge Cope and daughters are visiting Mr. and Mrs. Don Bable and family of Freeport.

Mr. and Mrs. Dwain Hawkins visited her parents, Mr. and Mrs. G. E. Boyd of Youngstown, Sunday in honor of Boyd's birthday anniversary.

Mr. and Mrs. Don Adams of Lisbon R. D. visited Mr. and Mrs. John Hawkins Sunday.

Mr. and Mrs. Glen Grim visited Sunday with Mr. and Mrs. Kenneth Kelley of Alliance.

### Hammondsville

Mrs. Vivian Cline is visiting her daughter, Miss Virginia Cline, of Chicago.

Mrs. John H. Leiby and children of Parma spent the weekend with her parents, Mr. and Mrs. John M. Myers.

Harold Frampton underwent surgery Friday in St. John's Hospital in Steubenville.

Mr. and Mrs. V. G. Sivard visited her sister, Mrs. Marguerite Hudson, Sunday in Akron.

## Health Board Airs Sewage Tank Backup

Further investigation into a sewage problem in Russell Heights near Wellsville and a crackdown on unlicensed septic tank cleaners was ordered by the Columbiana County Board of Health at a meeting Monday night at Lisbon.

It was reported a septic tank is backing up in a Russell Heights home which may be caused by a blocked or clogged storm sewer.

J. M. Russell, 1303 Main St., Wellsville, who developed the realty project, will be asked to study the problem and advise the board.

Board members also agreed to file charges against any scavengers who operate without licenses issued by the county.

A report of activities in March was filed by Dr. C. S. Palmer, county health commissioner.

The Tuberculosis Clinic administered 245 X-rays and made 177 nursing visits. Two new cases of TB were hospitalized, four new cases reported, two discharged from hospitals, two died from TB and six began receiving medication. Dr. F. G. Kraviec, clinic director, gave 19 consultations.

Under the school health program, Dr. Palmer visited 20 schools, the nurses 23 and a total of 217 immunizations were given, along with 115 polio shots and 110 vaccinations. A total of 72 Mantoux TB tests were made, 16 home visits conducted and four pre-natal clinics held.

County sanitarian Harry Stockdale inspected 22 restaurants, made 25 nuisance inspections, inspected 25 sewage cases, took eight water samples, made 5 refuse inspections, visited 2 schools, held 11 conferences and sent the head of an animal to the state laboratory for rabies check.

Plumbing inspector Earl C. Wang made 64 plumbing inspections, 47 for sewage and took 3 water samples. The county issued 22 plumbing and 23 sewage permits during the month.

Dr. Palmer also discussed the sewage disposal problems in St. Clair Township in the vicinity of Calcutta. He reported that the state X-ray cruiser will be in the county Sept. 18-22 with locations to be announced later, for chest examinations.

The board approved the attendance of Mrs. Violet Peterson, county nurse, at the Lake Hope Workshop June 6-8.

Bills of \$357.62 were approved and ordered paid. Next meeting is May 15 at 8 p.m.

## Program Listed For Elementary Music Concert

The program for the fifth annual all-city elementary instrumental concert to be given to night at 7:30 at the Memorial Auditorium has been announced.

The Advanced Band will present "Pleasant" (tone poem), "Summer Roses" (waltz), "Hocus Pocus" (polka), "Whispering Winds" (waltz), and "Olympia" (grand march).

Orchestra selections will include "Bright Star" (March), "Autumn Breeze" (tone poem), "Clover Leaf" (waltz) and "Crown of God" (overture).

Selections by the beginning band will consist of "Alpha-Zephyr" (Waltz), "Forward-Alligence" (march), "Abide With Me" (crusaders hymn), "Iris - Polly" (waltz) and "Steam Roller" (march).

The concert will be under the direction of Peter A. D'Argenzio, Alex Demkowicz and George E. Schweizer. Vincent L. Maola is instrumental music supervisor.

Paul Blair will give the introductory remarks.

## County Safety Group Reactivation Planned

Reactivation of the Columbiana County Traffic Safety Committee will be discussed and officers will be elected at a meeting Wednesday night at 7:30 at the McKinley School in Lisbon. A. R. Hanna, chairman, announced today.

The committee has been relatively inactive for the last two years, Hanna said, but accident statistics indicate an urgent need for active interest.

As a local branch of the Governor's Traffic Safety Committee, the county committee can aid in education, enforcement, legislative and engineering programs designed to make driving safer.

An organized and functioning committee is essential in each community to give leadership and provide public education for traffic safety programs, Hanna added.

## No Loss In Car Fire

LISBON — No damage was reported when the car of Arthur Whitehead, 508 N. Jefferson St., caught fire at 4:05 p. m. Monday. The fire was out when firemen arrived. Gasoline may have ignited after falling on the hot manifold, firemen said.

Television was invented by Baird.

## Needle Pattern

By LAURA WHEELER

Delight dad, sister, 'n' brother with this cozy afghan! A necessity at home or on trips!

It's a real softy! Fluffy puff-stitch gives "downy" texture. Crocheted in knitting worsted, in 3 colors, scraps. Pattern 903: directions.

Send 35 cents for this pattern to Laura Wheeler, in care of the East Liverpool Review, 45 Needlecraft Dept., P. O. Box 161, Old Chelsea Station, New York 11, N. Y. Print plainly your name, address, and the pattern number.

## Parked Cars Hit In Mishap On Ravine St.

A three-way crash resulted Monday night on Ravine St. near Blakeley St. when a motorist diverted his attention momentarily to pick up a cigarette he had dropped onto the floor of his car, police reported.

A 1960 two-door sedan operated by William Wimmer, 33, of McKinnon Ave. struck a parked 1953 two-door sedan owned by Rolie Barnes, 162 Ravine St., and shoved it into a parked 1958 two-door owned by William H. Gillespie of Columbus, officers said.

Wimmer told police he dropped the cigarette as he turned off Blakeley St. onto Ravine about 9:14 last night. As he reached for the butt, his car struck the two autos, which were parked about 150 feet west of Blakeley St., officers said.

Police listed Barnes' car as a total loss. There was damage to the right front of Wimmer's auto and the right rear of Gillespie's, police reported. Firemen were called to the scene to flush gasoline from the street.

Two cars were damaged in another crash on St. Clair Ave. at McKinnon Ave. Monday at 4:52 p. m., police said.

A 1960 two-door sedan driven by Alex Demkowicz, 23, of 1923 Smithfield St. was hit from the rear by a 1956 two-door sedan operated by Mildred Sauerbrei, 206 Maplewood Ave., officers reported.

Demkowicz told police he was driving south on St. Clair about 20 miles an hour when Emmanuel R. Green, 1625 Pennsylvania Ave., operating a truck, started to pull into the thoroughfare from McKinnon Ave.

Demkowicz said he slammed on his brakes to avoid a collision with the truck. The woman driver said she also applied her brakes, but her auto skidded on slippery brick pavement and hit Demkowicz's car from the rear.

The bell is the world's oldest musical instrument, according to most historians.

## Director To Get Help

## Council Will Spur Deal For 'Flooding' Property

Council designated its street and finance committees Monday night to work with Safety-Service Director Lee Copenhaver and Solicitor Joseph W. Cooper in an effort to agree on a purchase price for the property of M. F. Staats of Virginia Ave., with whom the city has been feuding for years over flooding of the East End Run.

The two committees were designated to join the negotiations after Copenhaver told Council he would welcome help in working out the protracted and frequently confused negotiations with the elderly used furniture dealer that date back about six years, spanning the last three city administrations.

The finance committee is comprised of Councilmen John Melvin, John Kelly and Donald Smith. Kelly also is chairman of the street committee, with Smith and Councilmen Clifford Cooper as members.

In mid-March, Council enacted legislation ordering Staats to remove alleged obstructions from the East End Run within seven days. As an alternative, the legislation said the city would remove

the obstructions and charge Staats for the work.

However, the obstructions have not been removed. Shortly after the legislation was passed, the city began informal negotiation with Staats to purchase his property, some of which will have to be removed in the run-cleaning. The run parallels Staats' property and the city alleges part of one of his buildings has tumbled into the stream bed.

"I'm still working on the East End Run," Copenhaver told Council, opening the subject. "If you can give me any help I would appreciate it."

Then Council President Charles Edwards remarked that the stream overflowed again Sunday after a rain.

After considerable discussion, Copenhaver said he would like members of Council to join him in the negotiations with Staats. In that way, perhaps a firm price can be agreed upon that Council will accept, he said.

Councilman Donald Hancock said he feels the entire Council should make the decision. He added that he understands the director and the solicitor already were negotiating with Staats.

Cooper moved for the street and finance committees to join the investigation. He was seconded by Councilman Norman Bucher. The motion passed 5-2, with Smith and Hancock dissenting.

In other business, Cooper told a Fisher Park resident that legislation may be presented at the meeting May 1 for installation of a sanitary sewer in sections of the residential area.

Carl Timmons of S. Surry Rd. appeared personally to ask Council when the enabling legislation for the project will be presented. He said the residents are anxious to have the sewer installed as soon as possible.

A legal question has been posed because some of the lines would run across the rear of the properties, rather than in front of the homes, as is usual in such cases, Cooper told Timmons.

"I'm checking with bond attorneys to see if they would approve such a situation," the solicitor said. "They want to see a sketch of the plans and my proposal before they rule. If the ruling is favorable, the resolution should be brought in at the next meeting. That's the only thing that's holding it up."

Norman Hall of St. Clair Ave. appeared to ask what action a three-man Equalizing Board took on his complaint against an assessment for a Beechwood sewer project. Edwards replied the board has not filed its report with Council.

Another complaint on the as-

essment was filed in a letter from Walter Ream of Beechwood St. He said he was assessed a total of \$338, but he said no sewer was laid in front of one of his lots, for which he was charged \$209.

Acting on a recommendation of Bucher, rules committee chairman, Council rescinded a action taken at the meeting April 3 and decided to hold its next session on the regular date, May 1. Previously the session had been postponed to May 8. The meeting of May 15 will be postponed until May 16 to allow members to attend a Chamber of Commerce dinner meeting and program on area highway improvements.

## Member Of Children's Home Board Resigns

The resignation of a charter member was accepted when the Board of Trustees of the Hancock County Children's Home met Monday night in the Courthouse in New Cumberland.

Mayor David Frew of Weirton, who had served since the board was organized in 1953, resigned because of business demands.

A successor to Frew to the nine-member board will be named at the next meeting of county commissioners, according to Cyrus Spear of Weirton, executive secretary.

William C. Graham of Chester, president, conducted brief business. Next meeting is May 15.

## Nixon Will Address Ohio GOP Dinner

COLUMBUS, Ohio (AP) — Former Vice President Richard M. Nixon will speak at a \$100-a-plate fund-raising dinner here, the vice chairman of the Ohio Republican Finance Committee has announced.

Richard P. Niehoff said Nixon will be the featured speaker May 10 at the dinner to kick off the Ohio GOP campaign to raise funds for the 1961 county elections and to help initiate congressional races for next year.

Republican leaders from 40 counties in central and southern Ohio will attend the dinner at the

Youth Center on the Ohio State Fairgrounds.

Nixon's address will be one of his first since he was defeated in the last presidential election.

**You pay less  
for electricity  
than your  
neighbors in  
near-by states!**

The figures above are for monthly electric bills of residential customers who use 250 kilowatt hours. Living in Ohio, you are in a fortunate position—paying less than your neighbors in near-by states. In fact, you pay less for electricity than people in 32\* other states!

You can thank Ohio's historically favorable business climate for this pleasant situation.

Due to this business climate, the electric companies have been able to raise the money needed to make improvements. Through such improvements they have kept the price of electricity down. Your increased use of electricity has helped, too.

Ohio's favorable business climate has paid off in lower electric bills for you!

\*Based on price of residential electricity for 250 KWH from Federal Power Commission figures.

# The Social -- Notebook

Announcement has been made of the engagement and approaching marriage of Miss Linda Lee Felton, daughter of Mr. and Mrs. Edward Felton, 916 Dresden Ave., to Airman 3C Franklin Stockman, son of Mrs. Eleanor Rice of Wellsville.

The bride-elect is a member of the senior class of East Liverpool High School. Her fiancé is stationed at the Offutt Air Force Base in Nebraska.

A June wedding is planned.

Harold Allison screened movies for the coverdinner meeting of the Annie Kell Friendship Class of the Trinity United Presbyterian Church Friday night in the social rooms. Some 21 attended, with husbands as guests.

The movies were entitled "The American Indians," "Large Animals of Africa" and "The Fireman."

Miss Gladys Rinehart, program chairman, read an article, "Forgiveness or Saving Grace."

Mrs. Anna Gauron conducted devotions, reading Scripture, a meditation, "Apostle Act 1 — Ascension Day," and a poem, "Are You Guilty of These Sins?"

Contests were won by Mrs. Anna Springer and Mrs. Olive Johnson.

The social committee was Mrs. Helen Allison, Mrs. Jane Pretty, Mrs. Tillie Perdure and Miss Rinehart. George Pretty offered the blessing. Favors were candy eggs.

A mother-daughter banquet will be held May 12.

Approximately 60 attended the family night dance of the Masonic Social Club Saturday at the Masonic Temple.

Sammy Luse and "His High Hatters" of Youngstown furnished music.

Robert Duncan, president, conducted business and named a nominating committee. It is: Norman Ankrim, Harold Sneddon and Theodore Burke. The Executive Board will meet to hold the election.

Refreshments were served in the grill room. The tables were decorated in a yellow and white theme, featuring forsythia.

The social committee was Mr. and Mrs. James Walker, chairmen, Mr. and Mrs. Edward Sanford, Atty. and Mrs. Joseph Cooper and Atty. and Mrs. G. William Brokaw.

This concludes the season. Dances will resume in the fall.

Two tables of 500 were in play for the Amegas Club Friday night with Mrs. Ann Lucas of Smithfield St.

Prize-winners were Mrs. Harriet Jordan, Mrs. LaRue Yetter and Mrs. Jane Fuhrer. Mrs. Delma Gillespie won the travel award.

Refreshments were served by the hostess. Mrs. Fuhrer and Mrs. Helen Brokaw were guests. Mrs. Yetter of Midland Heights will entertain April 28.

A delegation of 12 from Tri-State Sisterhood 199, Dames of

Malta, attended the installation meeting of the Bellvue Sisterhood 96 Friday night.

It included: Mrs. Margaret Allison, Mrs. Pearl Long, Mrs. Ruth Pickering, Mrs. Sylvia McDonald, Mrs. Grace McHenry, Mrs. Gladys Bishop, Mrs. Lola Webb, Mrs. Victoria Willis, Mrs. Ethel Hagerman, Mrs. Vera Wright, Mrs. Virginia Stover and Miss Geraldine Coombs.

The Women's Missionary Society of the Second United Presbyterian Church will meet Thursday with Mrs. Hattie Powell of 1st Ave.

The LaCroft Mothers Singing Club will meet Thursday with Mrs. Dorothy Koenig of Lisbon St. Mrs. Mary Rudibaugh, Mrs. Mary Smith and Mrs. Dolores Hopper are hostesses.

American Gold Star Mothers will meet Thursday in the DAV Hall. Mrs. Helen Jones and Mrs. Amy Watson are social chairmen.

The Bethesda Class of the Pennsylvania Ave. Methodist Church will meet Friday with Mr. and Mrs. Norman Nicely of Park Way.

Ohio City Rebekah Lodge 782 will meet Friday at the East End IOOF Temple.

The Calcutta WCTU will meet Friday with Mrs. Naomi Hamilton of Cannons Mills. Mrs. William Hathorn will have the program.

The Bidder Eight Club will meet Friday with Mrs. Pat Hancock of Lincoln Ave.

The Mary Martha Circle of the WSCS of the Boyce Methodist Church will meet Thursday with Mrs. Hilda Ruhl of Pennsylvania Ave. Mrs. Arvesta Wheelton will have devotions and Mrs. Jean DeLong, the program.

Mrs. Jessie McCune of Lisbon St. Ext., will be hostess Thursday for the Forget-Me-Not Club.

Films of Hawaii will be screened by Mrs. Elmer Eiferd at the meeting of the Colloquium Study Club Thursday with Mrs. William Kyle of Mayberry Ln. Mrs. Edward Daily and Mrs. Edward Sanford are co-hostesses.

The Wesleyan Class of the First Methodist Church will hold a 6 o'clock coverdinner Friday in the social rooms. Mrs. Nellie McLain will have the program. Mrs. Helen Walker is hostess.

The Pairs and Spares Class of the Calvary Methodist Church will hold a "progressive" dinner Friday. The Rev. and Mrs. Carl Beighley and Mr. and Mrs. James Steiner are in charge of arrangements.

The NN 500 Club will meet Friday with Mrs. Agnes Glover of the Hammond Park Addition, Wellsville.

Mrs. E. R. Tittle will have devotions at a meeting of the E. A. Walker Bible Class of the Emmanuel Presbyterian Church Friday with Mrs. W. S. McCord of Davis St.

The Homebuilders Class of the LaCroft Church of the Nazarene will meet Friday in the church recreational rooms.

Mr. and Mrs. Delmar Manning, 1370 Etruria St., celebrated their 40th wedding anniversary Friday with a quiet family observance.

They were married April 14, 1921, by the Rev. Thomas G. Berger of the Second Presbyterian Church of Wellsville.

Among the visitors were his twin brother and his wife, Mr. and Mrs. Denver Manning of Canton.

They have three sons and two daughters. They are: Delmar Manning Jr. of Broadview Circle; Lt. James Manning of London

Bridge, Va.; Richard Manning of Anderson Blvd.; Mrs. William (Marcella) Kidder, 1372 Etruria St., and Mrs. Thomas (Shirley) Long of Leesburg, Fla. There are 11 grandchildren.

Project reports featured the meeting of the Pairs and Spares Class of the Grace United Presbyterian Church Saturday night in the social rooms.

Jack Conley, vice president, conducted business. Mrs. Peg Barker read the minutes and financial reports.

It was reported Norman Dotson is a patient at City Hospital recovering from surgery. Mrs. Barker read a poem, "For The Un-theological," for devotions and conducted games and contests.

Lunch was served to 17 by Mr. and Mrs. Conley, Miss Virginia Johnson and Miss Norma Conklin.

Tentative plans were made for a wiener roast May 20 at the Beaver Creek Presbyterian Camp at Grimms Bridge. Mrs. Hazel Johnston will lead devotions. Mr. and Mrs. Nelson Stull, Mrs. Barker and Mr. and Mrs. Conley will have charge of arrangements.

**Personals**  
Mrs. Eber Brewer, 621 Bridge St., and Mrs. Emmett Ketchum of Salineville have returned after a visit with their brother, Frank Talbott, who is ill in California. Another sister, Mrs. Lena Reeder, 314 W. 9th St., remained for an extended visit.

**Wellsville Society**  
Miss Ruth Urie LE 2-2288

Members of the Friday Nites 500 Club were entertained by Mrs. Ruth Lawten, 565½ Main St.

Prizes were won by Mrs. Myrtle Cannon, Mrs. Mildred Hancock, Mrs. Bessie Carosiello and Mrs. Pat Bayer. Lunch was served.

The club will meet April 28 with Mrs. Myrtle Cannon of the Wells Hollow Rd.

The Three Aces 500 Club met Friday night at the home of Mrs. Mildred Cain of McDonald Heights.

Awards went to Mrs. Dolores Hendricks, Mrs. Joy Morehead, a guest, and Mrs. Eleanor Roseberry. The hostess served lunch. The May meeting will be at the Roseberry home on the old Salineville Rd., the date being indefinite.

Mrs. Bonnie French and Mrs. Beverly Hall received anniversary gifts from "secret pals" when the Keep Talking Canasta Club met at the home of Mrs. Donna Dalozzo of 14th St. Saturday night.

Prizes went to Mrs. Joyce Livolsi, and Miss Joyce Santamarino, and Mrs. Linda Maze, guests. Lunch was served. The May meeting will be with Mrs. French of 10th St.

**Wellsville Personals**  
Mrs. Richard Smith, 633 Henry Ave., is home from Elizabeth, N. J., where she attended the wedding Friday of her brother, James Burchfield, and Miss Joyce Yoos.

Mr. and Mrs. George Naylor of Maple Ave. have returned home after spending the winter in Florida.

Mr. and Mrs. George Schmidt of St. Louis, Mo., have been called here by the serious illness of his mother, Mrs. Edna Schmidt, of the Salineville Rd., a patient in the City Hospital.

**Chester Society**  
DeMar Miller EV 7-2721

The auxiliary of American Legion Post 121 will hold a social meeting Wednesday evening at 8 o'clock in the post home. Mrs. Josephine Finley and Mrs. Evelyn Street will be in charge of the program.

**Newell Society**  
Charles Cronin FU 5-4545

The Pleasant View Farm Women's Club will meet Wednesday night at 7:30 o'clock with Mrs. Frederick Adams of Washington School Rd. Mrs. Evelyn Walker is president.

**Drive Nets \$835**

EAST PALESTINE — A total of \$835 was collected in a Cancer Fund house-to-house canvass here and at Negley Monday night. Mrs. Gwen Galatin, chairman, announced. A solicitation will be held tonight at Unity and New Waterford.

## WCTU Holds Rogers Event

Mrs. Floda Siers conducted devotions at a meeting of the Rogers WCTU Friday afternoon with Mrs. Frankie Bell. She read Prov. 22:1-6 and an article concerning training of children.

Mrs. Bessie Pike, Mrs. Edith Moore and Mrs. Ruby McMillan read articles and poems. The meeting opened with group singing. Mrs. Mary Edmunds gave the opening prayer.

"The Daily Wonder" was read by Mrs. Moore and the group offered salutes to the American, Christian and temperance flags.

Mrs. Pike read a letter thanking the group for contributions to the Francis Willard Fund. Mrs. Moore reported on a speech contest.

Ten members and two guests attended. Lunch was served by the hostess.

Mr. and Mrs. Robert Hampson and Mr. and Mrs. Grant Kale visited Sunday with Mr. and Mrs. Roy Morris of Columbiana R. D. Mr. and Mrs. Herbert Baumgartner of Lisbon visited Thursday with their daughter, Mrs. Mildred Hussar. Mrs. Hussar visited Friday with her daughter, Mr. and Mrs. David Hall of Canfield.

Mr. and Mrs. Richard Staggers Jr. of Newell visited Thursday evening with Mr. and Mrs. Kenneth Ours.

Sunday guests of Mrs. Florence Bohle included Mrs. Jessie Blum and Mrs. Lydia Troutfelter of Darlington and Mr. and Mrs. Wylie Blum and family of Negley.

## VFW Post Holds Joint Induction With Auxiliary

Officers of Veterans of Foreign Wars Post 66 and its auxiliary were installed at a joint ceremony Saturday night at the post home.

Some 150 attended the buffet dinner and dancing which followed to Dick Golden's orchestra. Warren G. Torrence, past 6th District commander, installed the VFW officers, including Glenn H. Rice, commander; Sherman Rohr, senior vice commander; Nelson Dallas, junior vice commander; O. V. Ryan, quartermaster; Harry Simpson, adjutant; Harold Martin, three-year trustee; Ross Swoger, two-year, and Clyde Thornton, one-year, and Ted Sayre, three-year insurance trustee.

Dallas also has been named chairman of the post's Poppy Day committee. The annual sale will be held May 27.

Installed as auxiliary officers were Mrs. Agnes Webber, president; Mrs. Marie Dunn, senior vice president; Mrs. Helen Wilson, secretary; Mrs. Elsie Rohr, treasurer; Mrs. Katherine Judy, chaplain; Mrs. Gertrude Ward, conductress, and Mrs. Jean Ryan and Mrs. Dorothy Hill, retiring president, trustees.

Mrs. Ryan, past district president, was the installing officer.

## Yellow Creek PTA Will Elect Officers

The No. 16 Parent-Teacher Association will hold election of officers Friday night at 8 at the Yellow Creek Township school.

Mrs. Marilyn Solak, Columbiana County school consultant, will be guest speaker.

Thirty-two members of the seventh and eighth grades made a weekend trip to Washington.

Those in charge were Mrs. Freda Schubert, principal; Jerry Russell, homeroom teacher; Mrs. Evelyn Culp, substitute teacher, and Mr. and Mrs. Joe Baronzie. Mrs. Baronzie is the school nurse.

## Wellsville Boosters To Air Sports Dinner

Final plans for an all-sports banquet April 27 at American Legion Post 70 will be outlined at a meeting of the Wellsville Omni Boosters Club Wednesday night at 7:30 at the high school cafeteria.

Those desiring reservations for the banquet are to contact Mrs. Frank Leyda, president, by Saturday.

Plans also will be outlined for the post-prom party following the annual Junior-Senior dance May 5. The parents are urged to attend.

## 4 Children Die In Fire

PHILADELPHIA (AP) — Four children, ranging in age from 2 to 5, died Monday night in a fire which swept their three-story home.

## Joyce Massey Reigns As Queen

Miss Joyce Massey was crowned "queen" at the annual formal sponsored by the East Liverpool-High School Choir Parents Association Friday night at Virginia Gardens in Chester. Some 250 attended.

Her attendants were Miss Susan Marsh, left, and Miss Frances Leon. The queen received a tiara of white French carnations and she and her attendants were presented bouquets of American beauty roses.

Eddie Frazier's orchestra provided the dance music. Pastel color spring baskets, filled with

mints, were favors on the individual tables about the floor.

Faculty members and guests attending were Mr. and Mrs. E. King Mathews, Mr. and Mrs. Robert Wotring, George Hargraves, Miss Bibi McCormack and Ray Peduzzi.

Choir parents serving on the social committee were Mr. and Mrs. James Massey, Mr. and Mrs. Harold Sneddon, Mr. and Mrs. Lincoln Varian, Mr. and Mrs. C. Major Lampman, Mr. and Mrs. Orelan Thorne and Mrs. Frank Leon.

## Wellsville Couple Marks 50th Nuptial Anniversary

MR. & MRS. W. H. DAUGHERTY  
Open House Held For Their Golden Wedding Event.

A Wellsville couple, Mr. and Mrs. William Hendricks Daugherty of the Campground Rd., observed their golden wedding anniversary with "open house" Sunday at Platt's Tea Room.

Out-of-town guests were from Mt. Pleasant, Cadiz, Steubenville, Jewett and Cleveland.

They were married April 12, 1911, at the Presbyterian parsonage in Adena by Rev. G. W. Ramage. Their attendants were Lula Ramage and Thelma Peterson.

Mrs. Daugherty, the former Miss Leora M. Barkhurst, daughter of Wilson D. and Laura I. Barkhurst, was born March 11, 1884, at Harrisville, Ohio. Her husband was born June 7,

1876, at Wakatomika, Ohio, son of Robert and Ellen Barnes Daugherty. He taught school after attending New Century College at West Lafayette, Ohio Northern University at Ada and Muskingum College at New Concord. He later was employment manager at the Wheeling Can Co. prior to moving to Wellsville. Daugherty served three terms as mayor of Wellsville and was state representative and state senator.

They have a son, William Daugherty of Wellsville, and three daughters, Mrs. Isabel Boyce of Chester, Mrs. Margaret Bruck of Bedford and Mrs. Mary Jane Kniffin of Beechwood. There are nine grandchildren and three great grandchildren.

## Council Session Brief

EAST PALESTINE — Only five of eight councilmen were present for a regularly scheduled meeting Monday night — a 10-minute session in which a report of leaking water was filed by Safety-Service Director George McGuckin.

## Wallet Looted Of \$122 Pay

A Beechwood woman's wallet containing \$122, representing a big portion of the pay her husband drew last Friday, was taken by a sneak thief Monday as she worked at a rummage sale sponsored by a school organization in East End.

Mrs. Ralph Twyford, 180 Beechwood St., reported the theft to police last night at 8:18. She said the wallet containing the \$122, to be used for household expenses and other bills, was taken from the pocket of her coat, which she left hanging on the back on a chair during the rummage sale.

Mrs. Twyford was a volunteer worker at a sale which the Horace Mann homeroom mothers are conducting this week in the Odd Fellows Building on Pennsylvania Ave. The time of the theft could not be fixed definitely. The blue-green wallet was found later in an alley near the IOOF Building, but the money was gone and cards and papers were scattered on the ground.

Mrs. Twyford said the loss include five \$20 bills, two \$10's and two \$1's. It represented her husband's pay at the Patterson Foundry & Machine Co. Mrs. Twyford said she took the cash with her yesterday rather than leave it at home. The money had been put aside to pay bills today, she explained.

Meanwhile, Willis Brooks, 1152 Pennsylvania Ave., told police last night at 7:52 a 12-volt battery and connecting cables were stolen from his auto between 8 p. m. Thursday and 1 p. m. yesterday while it was parked in a garage which he rents at 1167 Pennsylvania Ave.

## Grain Program Aired

### In Meeting At Lisbon

LISBON — Twelve attended a meeting held Monday night at the St. George Parish Hall to hear an explanation of the new feed grain program presented by the Columbiana County Agriculture and Conservation Committee.

Earl Lora, director of the County ASC office, said notices are being prepared for corn farmers advising them of the base acreage and payments per acre.

Notices should be mailed by April 24 and will include information on a general meeting for farmers, he added.

## Judge Continues Charge Involving 'Feuding' Women

Municipal Judge Samuel M. Chertoff today ordered an indefinite continuance in a case involving a long-standing dispute between two women that culminated with one charging the other with violation of an ancient ordinance that makes it a misdemeanor to "fight with fists or cudgels" or provoke a "breach of the peace."

The defendant is Mrs. Burnett Jean Mack of St. George St. The charge was filed by Mrs. Vivian E. Brown of Dixonville, who alleged that Mrs. Mack on April 11 attempted to provoke her to commit a breach of the peace. The affidavit did not list the details.

Acting on the recommendation of Asst. Solicitor Richard J. Clark, the judge ordered a continuance in the case until a divorce action pending between Mrs. Brown and her husband is settled in Common Pleas Court at Lisbon.

"I don't know exactly what transpired," the assistant solicitor told the court. "I have talked to both these women on several occasions. Mrs. Brown tells me that Mrs. Mack is bothering her all the time and Mrs. Mack tells me Mrs. Brown is bothering her all the time."

## 3 Convicted, 2 Freed

SAN DIEGO, Calif. (AP) — A jury has convicted three defendants and acquitted two others in the \$200,000 ransom kidnapping of sportsman Anthony Alessio, formerly of Clarksburg, W. Va.

During the era of piracy, Port Royal, Jamaica, was known as the wickedest city in the world.

## Will POLIO strike this Summer?

There is a very good chance that POLIO will strike this Summer. Are you ready for it? Are your children? Babies, if there are any at home?

The time to prepare is now and the way to do it is to arrange for your POLIO shots. Call your local physician or local health department for information. This is particularly important for young parents and babies!

Make arrangements today and be on the safe side. Remember, no one is too young or too old to get POLIO. Be safe and free from worry. It only takes minutes of your time.

**Don't take a chance—take your polio shots**

11:20, WSTV, Movie: "Girl Crazy." Judy Garland, Mickey Rooney.

Singapore was founded by a king who had seen a lion on the site and considered it a good omen. He named his city Singa Pura — Sanskrit for City of the Lion.

## Cleveland Area Pay Tax Returns Seen Above '59

CLEVELAND (AP) — Melvin J. Burton, district director of the Internal Revenue Service, says he expects returns on 1960 income to surpass the total of 2,025,000 filed last year.

A total of 1,858,000 had poured into the office by the close of business Monday. The mail was expected to bring 175,000 more to-day. That would make 8,000 more returns than a year ago.

The returns come from taxpayers in the 47 northern Ohio counties comprising the Cleveland district.

Burton said all returns postmarked before the deadline of Monday midnight would be accepted as arriving on time. All taxpayers who delayed beyond that would be subject to a 5 per cent penalty, Burton said, with the penalty increasing 5 per cent a month to a maximum of 25 per cent.

On the mailing of refund checks, the money continues to pour out steadily, Burton said. As of Monday, 869,965 checks had been mailed out—a total of \$112,596,668 reaching happy taxpayers.

### GI Joins Exercises

EAST PALESTINE — Sp. 4 Richard L. Wellendorf, 19, son of Mrs. Katherine Wellendorf, 421 W. Clark St., recently participated in organization day exercises at Ft. Wainwright, Alaska, commemorating the 106th anniversary of the Army's 9th Infantry. A clerk, he is a 1959 graduate of East Palestine High School.

## County's CD

### Plan Detailed

East Liverpool: participation is needed before a countywide Civil Defense organization can be established. Council was told Monday night by Col. Leo McCarthy of Youngstown, Third Area CD director.

Federal regulations stipulate that a countywide CD organization must be comprised of 50 per cent of the incorporated communities — including the largest city — and 50 per cent of the unincorporated areas and also must have the sanction of the county commissioners, McCarthy explained. Because East Liverpool is the largest city in the county, no formal organization can be created without its participation, he added.

Formation of a countywide organization allows it to "participate" in acquisition of federal surplus property, the colonel said. He said it also is possible the city might receive matching funds to help defray the costs of administering, operating and supplying its CD organization.

Before a community can become eligible to receive surplus property, it must appropriate for local CD purposes a sum equivalent to 12½ cents per capita, McCarthy said. For East Liverpool, that would be approximately \$2,700. He said a countywide organization "would be invaluable in the event of natural disaster or enemy attack."

McCarthy indicated the decision whether or not to enroll East Liverpool in a county organization must be made by Council, which would go on record in favor of signing the formal agreement. Council took his proposal under advisement.

## Post Gets Award At Lawrenceville

About 20 attended a meeting of the Lawrenceville American Legion Post 163 Monday night at the post home at which a 100 per cent membership quota pin was presented by Carl Rinehart of Weirton, 1st District president.

Rinehart presented the pin to Charles Huffman, first vice commander, who is to give it to Ed Brewer, commander, who was absent.

Plans were made for sponsoring a dance April 28 at the post home to raise funds for the new Lawrenceville Athletic Association.

The post will sponsor five youngsters of the area to the annual Hancock County conservation camp at Tomlinson Run State Park June 2-3. Members will also assist the Grandview Parent-Teacher Association in the annual school picnic in May.

Lunch was served by John Grimes and committee. Next meeting will be May 1.

### Serves Aboard Ship

NEW CUMBERLAND — Boilerman 3C John O. Moncrief, son of Mr. and Mrs. Andrew M. Moncrief of Chestnut St., is serving aboard the tank landing ship York County, operating out of Norfolk, Va. The York County recently participated in the year's largest training exercise in the Caribbean.

## Stewardship Campaign Set

### Church To Seek Building Funds

Plans for a stewardship building campaign at the Second Church of Christ in East End were launched at the initial organizational meeting Sunday afternoon.

Shown are the first of those selected to head the drive. Seated left to right, going over organizational procedures, are John Fox, special gifts chairman; James R. Smith, promotional leader; Wayne Berresford, organization chairman,

and Ernest Baxter, clerical chairman. Standing are Leonard Cole, left, who will serve as tabulator, and Harry L. Stewart, information director.

Divisional leaders, team captains and members will be selected later. No goal has been set for the campaign.

It will be announced during a "Loyalty Day" dinner scheduled May 9. The time and place have not been selected. The actual campaign will not

begin until after the congregational dinner, Lester Pifer, minister of the First Christian Church at Martins Ferry, is serving as advisor.

The congregation voted about three weeks to sell its present building and construct a new church. The exact location has not been selected. The sale of the building probably will be handled through a real estate agent. John E. Eggleton is minister.

## 32 Plumbers, Fitters Halt Work In Dispute

SANDUSKY, Ohio (AP)—A jurisdictional dispute was blamed for the failure of 32 plumbers and fitters to report to work Monday at the Plum Brook Research Facility, where a nuclear reactor is undergoing final tests.

James R. Braig, chief of technical and administrative services at the facility, said he understood members of Plumbers and Fitters Local 225 objected because a job they felt they should handle had been given to ironworkers.

Braig said the walkout started Friday morning when the workers left saying they were ill. He said there would be no delay in completion of the reactor project unless the stoppage continued for some time.

The reactor may not be activated until May, Braig said.

### On Way To U.S.

VIENNA (AP) — A Hungarian trade delegation is on its way to the United States to meet with American industrialists to discuss chances for better economic relations, Radio Budapest reported Monday. The group was invited to the U.S. by Cleveland industrialist Cyrus Eaton.

## Club To Back Foes Of Tax

Foes of the city income tax, headed by Lawrence A. Finlay for mayor, have been endorsed for Democratic nominations at the May 2 primary by the Democrat Boosters Club.

The club voted the endorsement at a buffet dinner attended by 34 Saturday night at the Midway Diner on the River Rd., Melvin F. Johnson, secretary, said.

The endorsement went to Finlay for mayor; Arch H. Smith for Council president; Frank Duffy, James A. Moore and Albert R. Sayre for Council-at-large; Earl

Spencer, Second Ward; Robert L. Brown, Third Ward, and Walter S. Silliman, Fourth Ward.

The club voted to sponsor political advertisements backing the candidates "because all have declared the city's major need is new industry, and all are opposed to imposing (income) tax on their fellow citizens without the consent of the voters," Johnson said.

None of the four candidates vying for the First Ward nomination was endorsed. The club also did not endorse Gloria W. Young and Atty. Joseph W. Cooper, who are unopposed for nomination as treasurer and solicitor, respectively.

Homer Mercer, acting chairman, presided.

Problem For Navy

Red Sub Threat Grows

By FRED S. HOFFMAN  
WASHINGTON (AP) — Red China's growing submarine fleet — it is believed to total more than 20 long-range, modern craft — has added a new dimension to the navy's man-size problem of defending this country's shipping lanes and coasts.

But the big menace is posed by an estimated 400 Soviet submarines, most of them advanced, far-ranging types and some capable of firing missiles, although apparently not as deep-striking as the U.S. Polaris rocket with its 1,200-mile reach.

Rear Adm. Lloyd M. Mustin, the Navy's antisubmarine warfare chief, said in an interview that as things stand "we could win" any test of strength with the Communist bloc sub fleet — but not without losses.

There are others in the Navy, and outside, who contend there is ground for doubt about present U.S. capability in this field.

U.S. Navy officials are operating on the assumption the U.S.S.R. soon will have nuclear-powered subs — if it doesn't have them already.

So far, none have been spotted, but officials speculated the Soviets may be holding them from view while working out remaining bugs.

The advent of Soviet nuclear subs will multiply demands on U.S. anti-submarine forces, some say by as much as 5 or 10 times.

This is because atomic-powered undersea craft can stay submerged indefinitely, thus defying surface and air detection. They can travel underwater at more than 20 knots, as compared with 5 or 6 knots of conventional subs.

If and when the Soviets muster 20 or more nuclear subs, the problem of coping with them may take on critical proportions, officials said.

However, "We know what to do about it," Mustin said, claiming the U.S. Navy has the techniques and weapons in quantity.

The question, in the admiral's view, is quantity.

Over-all, the Communist bloc has about 450 submarines. The United States has more than 100. Of these, 17 are nuclear-powered. In addition, Britain and other nations friendly to the United States have about 100 subs. None are nuclear, although Britain is building its first.

About 75 per cent of the Soviet subs have been built since 1950. Mustin said the reason the number stays at around 400 is that as new boats join the Red fleet, older ones are retired.

For the coming fiscal year, President Kennedy's budget calls for funds to construct 13 subs — 10 of them missile-firing Polaris craft. All would be atomic.

Navy antisubmarine warfare specialists indicate they do not yet regard the Communist Chinese sub threat as serious.

They stress it takes more than the subs alone — that it takes a high degree of skill in the complicated technique of undersea warfare. So far U.S. experts do not believe the Chinese have undertaken any effective operational sub training program.

About 100 Soviet submarines are based in Far Eastern waters and conceivably could team with the Red Chinese, if the need arose.

Mustin said that in Soviet submarine operations "geography is against them."

He noted the Soviet Union's main access to the North Atlantic is from bases in the far north, on the Kola Peninsula near Finland.

Narrow outlets from the Baltic and the Black Sea could easily be stopped up and a Communist sub base in Albania would be highly vulnerable.

In the Pacific, chief Soviet sub bases are in southern Siberia and the lower Kamchatka Peninsula above Japan.

Granting conventional subs a maximum practical operational range of 5,000 miles, Mustin said this would permit effective use of Soviet undersea craft as far south as the bulge of Brazil in the Atlantic and the Panama Canal in the Pacific.

Probation Officer Speaks To Young People At Lisbon

Dick Rose, probation officer of Common Pleas Court, spoke to a combined group of young people of the Christian, Methodist and First Presbyterian Churches at the Lisbon Presbyterian Church Sunday evening.

He talked on his work as an adult probation officer and the problems the youths will face as adults.

He was introduced by David Borrow, counselor of the Presbyterian Fellowship.

Mr. and Mrs. Joseph Dornon and Mr. and Mrs. Walter Lipp attended an Eastern Star inspection at Canton Saturday evening.

**Guests Attend Dinner**

Dinner guests in the home of Mr. and Mrs. Walter Cope of E. Lincoln Way Sunday were Mr. and Mrs. Paul Mollenkopf and children, Rickey and Sheree, of Columbiana and Frank Rudibaugh and Harry Stacey of Lisbon R.D.

Mr. and Mrs. Wilbur Robinson and family of Toledo spent the weekend with their parents, Mr. and Mrs. Clarence Robinson of W. Washington St. and Mr. and Mrs. Walter Ewing of W. Chestnut St. A former end-man for the American Legion minstrel, he came to attend this year's show.

Mr. and Mrs. Earl Riley and sons, Scott and Dan, of Westerville visited over the weekend with her parents, Mr. and Mrs. George Gonzales of Harrison St.

Mr. and Mrs. William Hanahan and family of Akron were in Lisbon over the weekend with their parents, Mr. and Mrs. William Hanahan of North St. and Mrs. H. C. Leonard of Morris St.

**Family Has Visitors**

Weekend visitors in the home of Mr. and Mrs. Edgar Keirns of Cream Ridge Rd. were Mrs. Hazel Grate and Mrs. Mildred Blosser and son, Nicholas, of Columbiana. Mr. and Mrs. O. R. Dille and daughter, Sharon, Mr. and Mrs. John Reuter and Mr. and Mrs. Odis Burlingame of Lisbon R. D.

Free Auto Safety Check Set In Ohio

COLUMBUS, Ohio (AP)—Automobile dealers, garages, service stations, automobile clubs and safety councils will be offering a free automobile safety check during May and June—months proclaimed by Gov. Michael V. DiSalle Monday as voluntary vehicle safety check months.

The cooperating agencies, which will display the "circle of safety" emblem of the program, will check brakes, front lights, rear lights, steering, tires, exhaust system, glass, windshield wipers, rear view mirrors and horn.

Grant Keys, director of the Highway Safety Department, urged those who participate in the local programs to include a check of drivers' licenses to see if, through oversight, any have been allowed to expire.

Senate Unit Eyes Scholarship Fund

COLUMBUS, Ohio (AP) — The battle that is shaping up over the Ohio Scholarship Fund is expected to move into the Senate Education Committee tonight.

The committee will conduct hearings on two bills dealing with the fund. One, by Sen. Ross Peple, R-Lima, would abolish it. The other, by Sen. Ed Witmer, D-Stark, would appropriate money directly into the fund instead of matching money raised by private solicitation on a one-three ratio.

Airlines Figure Dies

LOUISVILLE, Ky. (AP)—Frank D. Paris, 59, vice president of Central American Airways, died Monday of a heart attack.

Liquor Department Favors Cities' Power On Permits

COLUMBUS, Ohio (AP)—Ohio's Liquor Control Department favors a bill giving municipalities authority to determine their own liquor permit quotas, Director Richard C. Crouch says.

Crouch was one of 23 witnesses, not counting the bill's sponsors, who appeared Monday night before the House Government Operations Committee. Most were from the Cuyahoga County area, where interest is heavy, but central and southwest Ohio also were represented.

Opponents will be heard tonight.

Essentially, the bill lets the legislative body of a municipality, by majority vote and subject to approval by a majority of voters in the community, establish the number of each type of Ohio liquor and beer permit (bars, night clubs, etc.) that can be issued within the corporation limits.

The number presently is determined by state law and regulations of the Ohio Liquor Control Board, which sets up ratios based on population and reviews them annually. Under the proposed "home rule" action, the quota could not exceed the number authorized by the state.

Local legislative bodies also would be authorized by the bill to "regulate, restrict and limit the location of establishments selling beer and/or intoxicating liquor" through zoning regulations.

No existing permit holders would be affected by the proposal.

Consensus of testimony was that many communities want such authority because of two problems:

Lack of local control, in that they lack legal authority to zone in such cases, state officials are not familiar with the local situation, and there presently only is the all or nothing choice of voting dry or accepting state-set quotas.

Possibility of saturation, in that many communities do not occupy a large land area, but may for one reason or another have a large population. As a result, they are entitled to more liquor permits but in some cases fear such outlets will be too numerous.

One of those urging that the committee recommend the bill, Mayor Kenneth J. Sims of Euclid, admitted that local governments are "asking for a tough job," but said he is confident it can best be done at the local level.

No New Activity Due At Ravenna Arsenal

RAVENNA, Ohio (AP) — There will be no new industrial activity at the 21,711-acre Ravenna Arsenal, Rep. Robert E. Cook, D-Ohio, said Monday.

Cook said he had been advised by Stephen Ailes, undersecretary of the Army, that "the Army cannot take any action which would impair the mobilization capabilities or result in unwarranted expenditure of public funds." The Ohio congressman had been trying to get part of the arsenal, now a storage center for ammunition, made available for other work.

Extended Jobless Aid Applications Below Estimate

CLEVELAND (AP) — The Bureau of Unemployment Compensation says applications for extended unemployment benefits here were well below what had been expected.

Ward A. Riley, area director for the BUC, said 10,462 persons had filed claims under the 13-week extension of benefits. The first claims under the extended program were filed April 10.

The total was nearly 5,000 under the number of applications the BUC had expected to receive here.

The bureau had some other encouraging information Monday. Continuing claims here dropped last week to 40,993—1,741 fewer than the previous week. This was the low point for 1961, but still higher than any weekly total in 1960.

Initial claims were down 614 to 3,780 for the week, and Riley said from available information "we can't see any large layoffs for the immediate future."

Head Of Troy Firm Dies Of Heart Attack

TROY, Ohio (AP) — Roth F. Herrlinger, president and general manager of Gunned Products here, a division of the St. Regis Paper Co., died Monday in Stouder Memorial Hospital. Herrlinger, 56, suffered a heart attack.

He joined the firm in 1926, became president and chairman of the board in 1936 and then continued as head of the division after it joined with St. Regis.

NATIONAL STEEL REPORTS on 1960 and the Future

In 1960, National Steel's operating and financial results ranked among the best in the industry. This was due partly to a stronger demand for the products in which we specialize than for most other steel products. But this record also reflects the improved efficiency in organization, operations and continuous modernization of plants and facilities.

We produced 5,751,000 ingot tons and shipped 4,342,000 tons of finished steel with sales amounting to \$697,063,036. Although there were two advances in employment costs, there were no increases in prices of National Steel products.

Excellent progress was made on our major construction program launched in 1959, and all plants and facilities will be completed this year. An important addition was made to the program in 1960—a two-furnace basic oxygen furnace shop at Great Lakes Steel Corporation.

At our new Midwest Steel plant in the Chicago area, the first major facility, the continuous galvanizing line, has been placed in operation. Facilities for the production of tin plate and hot and cold rolled sheets will be placed in operation in the near future.

At Great Lakes Steel Corporation in Detroit, work on the computer-controlled 80-inch Mill of the Future is well advanced and trial operations are scheduled for next August.

At Weirton Steel Company in Weirton, West Virginia, a second continuous annealing line was installed, oxygen producing capacity doubled, and other improvements in facilities were made.

At Stran-Steel Corporation's plant in Terre Haute, Indiana, a 600-foot color coating and finishing line for steel building panels was among the new facilities installed.

**FINANCIAL.** Since the start of the construction program in 1959, construction costs amounted to \$193,000,000 up to the close of 1960. The balance of the program, amounting to \$152,000,000, will be completed in 1961 and 1962. Financing in the amount of \$160,000,000 in bonds and term bank loans was arranged at the outset of the program and this amount,

plus funds which have been and will be generated within the business this year and next, appears adequate to complete the program.

**NEW PRODUCTS** developed during the year included Weirlite®—our new lightweight tin plate which affords new production economies and is meeting with enthusiastic acceptance by customers.

**RESEARCH** scored important new advances particularly in the improvement of efficiency in blast furnace production.

**1960 — AND THE FUTURE.** In reviewing 1960, National Steel's top management team says: "Our relatively good showing during the year just past and the excellent progress of our construction program are eloquent evidence of the effective high skills and capabilities of our entire organization . . . and justify our assurance of their continued accomplishments in the future."

**Major executive changes.** Although these were made subsequent to the close of 1960, they are cited here because of their great importance to the future of National Steel Corporation. Thomas E. Millsop has moved to Chairman of the Board of Directors and Chief Executive Officer of the Corporation. George M. Humphrey resigned as Chairman of the Board of Directors but continues as a member and Chairman of the Executive Committee. Paul H. Carnahan, who was Chairman of the Board of Directors of Great Lakes Steel Corporation, was elected President of National Steel Corporation.

1960: A SUMMARY		
	1960	1959
Net sales	\$697,063,036	\$736,978,650
Net earnings	\$ 41,937,235	\$ 54,897,360
Net earnings per share	\$5.53	\$7.28
Depreciation, depletion and amortization	\$ 41,149,055	\$ 36,487,856
Total dividends paid	\$ 22,680,299	\$ 22,522,643

# Mantle And Ford Gang Up On A's

By JOE REICHLER  
Associated Press Sports Writer

Red Sox center fielder Gary Geiger, who had been sidelined since last July 28 with a collapsed lung, smashed a 400-foot home run Monday to spark the Sox to a 4-3 victory over the Los Angeles Angels.

It was Geiger's third hit in nine times at bat in this infant season, his second for extra bases. The homer came in the seventh inning off reliever Tom Morgan to offset what would have been Los Angeles' tying run in the ninth. In the sixth, Geiger scored the first of two Boston runs, coming in on a single by Jackie Jensen, off loser Ken McBride. A bases loaded walk to Pumpsie Green forced home the other run.

Mickey Mantle and Whitey Ford, the Damon and Pythias of the Yankees were the whole works as the American League's defending champions shut out Kansas City 3-0. Mantle, hitless in his first two games, drove in all the runs with a home run and a single. He had a perfect day with another single and a walk.

Ford, who was blanked on opening day, permitted only three singles, walked four and struck out eight. Only 1,947 fans, small-

est Yankee Stadium turnout since Sept. 21, 1954, saw the Yankees get all their runs off Jerry Walker, the young righthander acquired recently by Kansas City from Baltimore.

All other American League clubs were idle and there was only one game in the National. In that one, St. Louis downed the Los Angeles Dodgers 9-5 to climb into a first-place tie with San Francisco.

Tommy Brewer, Red Sox righthander, blanked the Angels until the seventh when doubles by Ted Kluszewski and pinch hitter Steve Bilko sent him to the showers. Fireman Mike Fornieles walked pinch hitter Faye Throneberry and loaded the bases when another pinch hitter, Julio Becquer, reached base after striking out on a wild pitch.

Eddie Yost popped out to end the threat.

Pinch hitter Abbie Pearson's homer in the ninth accounted for the loser's final run.

The Yankees were held to only seven hits, five by Walker before he left for a pinch hitter in the eighth. Walker, 22, in his first appearance since he was traded, was wild, walking six. Two of the walks were issued to Yogi Berra, each resulting in a run.

## Brown Solid 2-1 Favorite In Title Bout

By JOHN FARROW  
Associated Press Sports Writer

LONDON (AP)—Joe Brown, the world lightweight champion, approached his title defense against European and British champion Dave Charnley tonight with the detached air of a professor ready to give a pupil some pointers.

Brown, now 35 and a veteran of 111 fights, was a 2-1 favorite. He looked back on his last fight against Charnley 15 months ago, decided that it was easy and announced that the 25-year-old Briton was due for more lessons once they stepped into the Earl's Court ring.

The fight was scheduled for 4 p.m. EST.

Charnley, with 38 victories in 45 fights, admitted he was annoyed at Brown's jibes and said he had learned several things from the first fight which he intended to use to good advantage.

Most British boxing writers gave Brown the nod and predicted he would keep his crown in the scheduled 15-round fight—London's first world title bout in four and a half years.

## Toronto Bows In IL Opener

MONTREAL (AP)—The 78th consecutive International Baseball League season gets into full stride today with the virtually standpat Toronto Maple Leafs favored to repeat their 1960 victory.

The Maple Leafs, who won the pennant by 17 games last year, and the new Puerto Rican entry jumped the gun on the other six clubs by meeting in San Juan Monday. San Juan won 4-2 before a crowd of 6,627. Ex-big leaguer Bob Grim was the winning pitcher.

Richmond, second place finisher last year, is reported to be loaded and could give the champions a battle for the top spot. Observers also rate the Buffalo Bisons a real threat.

Franchise changes and changes in working agreements have made most of the other clubs question marks. Puerto Rico replaced Miami in the league and Syracuse took over the Montreal franchise.

Columbus presents a fairly new club. Through its working agreement with Pittsburgh, it acquired several members of the 1960 Salt Lake City club. The defense appears adequate, and good pitching can be expected from Earl Francis, Al Jackson and Bob Veale. John Powers, who hit 24 home runs last year, will be aided in the power department by Donn Clendenon, who hit 28 for Savannah. The club finished sixth last year, and could move up.

## Major Threats Upset In Women's Amateur

PINEHURST, N. C. (AP)—Two major threats to Barbara McIntire's bid for a third North and South Amateur golf title were on the sidelines today as the second round got under way at the Pinehurst Country Club.

Mrs. Philip Cudone, 1958, winner, and Jean Ashley, who last year beat Miss McIntire on her way to the national finals, were upset victims.

The surprising results removed two top challengers in the upper half of the draw and apparently eased Miss McIntire's path to the finals on Friday.

The defending champion from Lake Park, Fla., was four over par in her initial 7 and 6 victory over Mrs. W. G. Boggs of Pittsburgh. Today she met Betty Probasco of Chattanooga, Tenn.

## Ohio Open Golf Set Oct. 9-11 At Akron

AKRON, Ohio (AP)—The Ohio Open Golf Championship will be played Oct. 9-11 over one of the toughest courses in the nation—Akron's Firestone Country Club.

Tommy Carr of Cleveland, president of the Northern Ohio Professional Golfers Association, said a minimum purse of \$3,500 will be offered for the 72-hole medal play event. The Buckeye open was won last year by Frank Stranahan of Toledo at the Snyder Park course in Springfield.

## Midland Kaycees Honor Athletes

Midland Presentation Parochial School athletes were honored during the annual "Sports Night" of the Knights of Columbus, Council 2005, Monday evening.

About 120 attended the event in the gymnasium of the Presentation Catholic Church. Fr. Francis E. Paul, pastor, left, presented jackets to some 17 graduating 8th Graders and the letter "P" to underclassmen.

Others, left to right, are: Richard House, basketball captain; Daniel Wertz, football captain; Anthony Martell, in the rear, grand knight who assisted in the presentations, and Ernest Torres, program chairman.

Martell presented to Lawrence Novak, Lincoln High track coach, the Council's trophy to be presented the winning team in the high school's invitational track meet next month.

Martell also presented a plaque to John Milkovich, Presentation basketball coach, for the team's participation in a tournament at Rochester. The plaque was later given to Fr. Paul.

There were remarks by Fr. Paul and Fr. John Corbett and Fr. Thomas Rodgers, both assistant pastors, and Emeric Davis of Midland, president of the Beaver County Chapter of the Knights of Columbus.

William Vinovich was master of ceremonies. Other Presentation coaches attending were Lou

DiCiccio, football, and Daniel Zuppe and John Hermick.

Other Lincoln High coaches included Charles Polce, Henry Kuzma, Paul Farnan, Phillip Tridico, Ed Olkowski, Gerald LaValle and Darrell Stillwagon, athletic director.

Ladies of the church served the dinner.

Martell announced the Council will sponsor a dinner at the end of May to honor straight "A" seniors of the high school. He reminded members of the "All Sports Banquet" to be held Sunday at 6:30 p. m. at the Steelworkers Hall, sponsored by the Midland Leopard Boosters Club.

Next meeting of the Council will be May 1.

christ, Bill Carter, Kenny Cowdry, Joe Golden, Tom Hausen, Roger Clendenning, Larry Radcliff, Jim Neiser, Nick Marchbanks, Bob Birbeck, Rick Frame, Steve Williams and Danny Cook.

## Players Are Assigned To Pony League Teams

Eighty-five boys have registered for the Pony Baseball League, two new managers were named and a fifth team was added for the 1961 season.

Homer Ensinger will replace Dick Owens as manager of the Little squad and Chuck Campbell

Bob Woods, Dick Smith, Bob Kinsey, Lester Chapman, Ed Ingram, Dave Lee, Tom Ricky, Dave Gamble, Tom Spooner, Jerry Jarvis, Bruce Smith, Dan Flasco, Tom Logan, Ray Ammon, Terry Robinson, Lenard Walker, Charles Harris, Jim Halfhill, Danny Castro, John Dalesio, Jerry Stovell, Joe Dalesio, Joe Walters and Gary Davis.

BURBICKS — Keith Locke, Phil Wilshaw, Bob Maltich, Ray Betteridge, Clyde Null, Jon Pigrim, Colon Alford, Garry Denmore, Rodney Collins, Jim Orr, Clarence Crable, Mike Stine, Larry Wilson, Jeff Kamil, Dick Shilling, Rick Calhoun, Jim Slaven, Dave Adkins, Carl Mack, Chuck Taylor, Jim VanDyke, Mike Silliman, Bill Wright, Bob Kelly and Butch Rall.

LITTENS — Jim Johnson, William Cashdollar, John Bailey, Dennis Morrow, Jeff Huddleston, William Myer, Lowell Kountz, Chuck Winters, David Kidder, Carl Peterson, John Twyford, Terry Roe, Chuck Averell, Jim Hendershot, Steve Seiferth, Bill Barron, Kenneth Crane, Bob Burkhardt, Larry Ensinger, Bill Bartram and Terry Scott.

WOODBINE — William Raimond, Tom Chema, Mike Newlen, Dennis Burke, Denny Horger, Dave Chetwynd, Lorin Hooker, Tom Davis, Gary Garland, Alfred Pasco, John Cornman, Rod Gil-

Los Angeles 000 000 101-2 6 0  
Boston 000 002 10x-3 6 0  
McBride, Moeller (6), Clevenger (6), Morgan (7) and Rice, Sadowski (7); Brewer, Fornieles (7) and Nixon, Pagliaroni (7). W-Brewer (1-0). L-McBride (0-1).

Home runs—Boston, Geiger (1). Los Angeles, Pearson (1).

Kansas City 000 000 000-0 3 0  
New York 201 000 00x-3 7 1  
Walker, Nuxhall (8), Keegan (8) and Sullivan; Ford and Berra. W-Ford (1-1). L-Walker (0-1).

Home run—New York, Mantle (1).

Longevity Formula Offered By Man, 100  
EAST ORANGE, N. J. (AP)—Walter Godfrey, 100 years old, has a recipe for living to a ripe old age. "If you keep busy you'll last longer," he says.

With that, Godfrey promptly pitched in and helped shovel snow from his sidewalk.

## Houk Reflects Happy Mood Over Shutout

NEW YORK (AP)—Cigar-smoking Ralph Houk of the New York Yankees was a winning major league manager today for the first time—and he liked the feeling.

"You haven't seen the real Yankees yet," he said.

"We haven't played our best baseball so far. The weather has been against us."

"The players are not as loose as they should be. They have been erratic. It takes constantly good weather to steady them down."

Houk was in a good mood. Monday's 3-0 shutout over the Kansas City A's gave the Yanks a 2-1 record. Except for the miserable weather that has permitted the Yanks to play only three games in the first seven days of the season, Houk had two very good reasons to be happy:

1. Whitey Ford went all the way in a 3-hitter after being knocked out in the seventh inning of the opener with Minnesota last week.

2. Mickey Mantle collected his first hit of the season, a homer, and added two more singles for a perfect day, thus pulling his batting average from .000 to an even .300.

## Yesterday's Stars

Batting, Mickey Mantle, Yankees — drove in all runs in the Yankees 3-0 triumph over Kansas City with a two-run homer and a single. He added another single and a walk for a perfect day at the plate.

Pitching, Whitey Ford, Yankees — the veteran left-hander doled out three singles and struck out eight as the Yankees shut out the Kansas City Athletics 3-0.

## Liston's Manager Challenges Patterson

ALLEN TOWN, Pa. (AP)—Joseph (Pep) Barone, manager of No. 1 heavyweight challenger Sonny Liston, today challenged champion Floyd Patterson to state whether he would fight the Philadelphia in September if Barone stepped down as his manager.

Barone issued the challenge when he was asked if he would release Liston from his contract, as Patterson has demanded and Liston requested.

"Let's see if he says yes, then I'll give you my answer," added Barone. If he wants to fight Liston in September nobody will be in Liston's road."

## Sharman To Coach LA Club In New Loop

LOS ANGELES (AP)—Bill Sharman, former University of Southern California star and for 12 years backcourt man for the Boston Celtics, is the general manager-coach of the new Los Angeles club in the American Basketball League when it begins operation next fall. Sharman has signed a three-year contract. Salary terms were not disclosed.

The Celtics had announced they would let Sharman go to assume the role of coach, but would not agree to his playing for the Jets because of an option clause in his Boston National Basketball Association contract.

## Charter Found

ASPEN, Colo. (AP)—The long search is over for Aspen's city charter. Councilmen found it and other documents, missing about 80 years, in the courthouse in Gunnison. Aspen was in Gunnison county, instead of Pitkin, when it was incorporated in 1881.

## Finnish Runner Has Percentage Going For Him

BOSTON (AP)—Olavi Manninen is a 32 year old Finnish farmer who has percentage going for him in the 65th Boston AA Marathon Wednesday.

"Beware the second Finn" has become the watchword since the men of Suomi began double-teaming this 26-mile, 385 yard Patriot's Day classic in 1954. Manninen fits the description this time.

Previous winners Eino Oksanen (1959), Manninen's countryman, and Johnny Kelley (1957) along with Manninen, last year's runner-up Gordon McKenzie of the U.S. Olympic team and England's Fred Norris top the field.

Another 224 assorted athletes who have running shoes and a competitive zest have entered the pavement pounding grind which starts at high noon in suburban Hopkinton. Destination: Boston's Back Bay.

Every Finn but one who has made a second trip to the BAA run has won it.

## National Loop Linescores

St. Louis 001 100 034-9 12 0  
Los Angeles 003 000 101-5 10 0  
Gibson, Miller (7), McDermott (9) and H. Smith; Podres, L. Sherry (8) and Rosebor. W-Miller (1-0). L-L. Sherry (0-1).

Home runs—St. Louis, Cunningham (2), Tausig (1), Spencer (2); Los Angeles, Snider (2).

## West Coast Scouting Head Succeeds Rickey

PITTSBURGH (AP)—The Pittsburgh Pirates Monday named Robert C. Clements of Santa Barbara, Calif., to succeed the late Branch Rickey Jr. as director of their minor league clubs.

Clements has been the Pirates' West Coast scouting supervisor since 1951.

Rickey Jr., who served as vice president in charge of minor league clubs for the Pirates for over 10 years, died last Monday following a long illness. He was 47.

## 3 Released On Bonds On Burglary Charges

LISBON — Three Mahoning County residents charged with burglary appeared at noon Monday, pleaded not guilty and were released on \$2,000 bonds.

Mary F. Walker, 20, of New Springfield Rd. 1, and Marshall E. Patraci, 24, and Charles W. Cooper, 21, both of Youngstown, were indicted by the April Grand Jury for the burglary of the home of Lawrence Wolfgang on the Lower Elkton Rd. Feb. 25. A television set was stolen.

The three failed to appear at 9 a.m. yesterday for arraignment and their bonding company requested its release. They appeared later voluntarily and the bonding company again posted securities after Judge Raymond S. Buzzard reset the amounts.

## Educational System Given Hand By Army

NEW MARKET, N. J. (AP)—The Army has lent a helping hand to Piscataway Township's educational system.

The Army's installation at Camp Kilmer has served as school for hundreds of township children since 1955, when an old USO building was reconstructed into a seven-room school.

"There's no question that we would have been forced on double sessions in the last few years if those buildings had not been available," says Dr. Theodore Schor, Piscataway superintendent of schools.

## Ann Landers

ANSWERS YOUR PROBLEMS

Dear Ann Landers: My husband met a man through his work and invited him and his wife to our home for dinner Saturday night. I had never met either of them but was pleased to have them come over because my husband said they were "swell people."

They arrived at 7. We had cocktails until 8:30 and then sat down to dinner. At about midnight my husband suggested they spend the night with us rather than drive home, which is an hour and a half from our place.

When they accepted the invitation I almost fainted. At 3 a.m. I was changing bed sheets and ironing a pair of pajamas for the man to sleep in.

The next morning I told my husband he had a nerve asking them to spend the night without first checking with me. He claims the house is as much his as mine and that I am a real square. May I have your views? —INN KEEPER.

Dear Ann: You say nothing about a blizzard, tornado, typhoon or cloudburst, or do you suggest the guests were liquored up, so I assume they could easily have driven home. Your husband should have let well enough alone.

To have invited them to spend the night without first checking with you was inexcusable. The

burden of extra guests falls on the hostess, not the host—witness the fact that you were changing sheets and ironing the pajamas, not him. And who made the breakfast?

### Precocious

Dear Ann: Our 13-year-old daughter is a problem. She is physically mature and could pass for 17. Lila has a mad crush on a family friend who is 25, married and has two children.

He drops over several evenings a week just to visit. He never brings his wife and I often wonder why he doesn't stay at home with her instead of coming to our house to kill time.

Lila hangs around, sits on his lap and kisses him. He encourages her by telling her she's cute and holding hands with her when she walks him to the car. I've told my husband this is not good but he insists she's just a kid and that I'm out of my mind. Am I?—WORRIED.

Dear Worried: Your mind is working much better than your husband's. Tell him to wake up and smell the coffee.

That friend should be told to bring his wife along or stay at home with her. It sounds like a case of arrested development to me. And your 13-year-old daughter needs to have her

speedometer adjusted.

Instruct Lila in no uncertain terms to stay off laps and save her kisses until she is older and knows the meaning of expressing affection. Her behavior is vulgar and cheap and if she continues along these lines she could be in for real trouble.

### Back To Old Times

Dear Ann: My wife used to be a good sport and go bowling and horseback riding with me. She was a crack shot and a great fisherman. Now that we have an infant son, she won't go with me any more. She tells me to call the fellows.

I really miss her company and have begged her to come along like old times but she says a baby needs its mother. What do you suggest?—MOSSIE.

Dear Mossie: It's wonderful that your wife has gained a son but it's a shame she's losing a husband.

Tell this "dumb bunny" to hire a sitter and go with you "like old times" or she may live to regret it.

Ann Landers will be glad to help you with your problems. Send them to her in care of The Review, enclosing a stamped, self-addressed envelope.

### Daily Pattern

By ANNE ADAMS

See diagram — even a beginner can sew this sun-fun dress in a day! A fabric-saver, too — whip up one, two, three gay versions for practically pennies. Note pockets, back-interest belt.

Printed Pattern 4828: Children's Sizes 2, 4, 6, 8, 10. Size 6 dress takes 1 1/4 yards 39-inch.

Send 50 cents in coins for this pattern to Anne Adams, in care of the East Liverpool Review, 49 Pattern Dept., 243 W. 17th St., New York 11, N. Y. Print plainly your name, address, size and the pattern number.

### GI Finishes Course

LISBON — Pvt. Kenneth L. Morris, son of Mr. and Mrs. Harry W. Morris of Grant St., recently completed the engineer equipment repair course at the Engineer School at Ft. Belvoir, Va. A 1960 graduate of David Anderson High School, he entered the Army in November and received basic training at Ft. Knox, Ky.

Retiring officers are: Mrs. Katherine Thomas, president; Mrs. John S. Mengel, vice president; Miss Mary Evans, recording secretary; Mrs. William Beckett, financial secretary; and Mrs. Andrew Meiterth, treasurer.

New officers are: Mrs. Jack Johnson, president; Mrs. William Miner, vice-president; Miss Evans, recording secretary; Mrs. Beckett, financial secretary; and Mrs. Meiterth, treasurer.

### Claimed At Age 100

CHICAGO (AP)—The Rev. Carl A. Bjornborn, 100, oldest retired minister of the Evangelical Covenant Church of America, died Monday.

### Increase Due In Vegetables

Supplies of several vegetables will be increasing in the weeks ahead, according to Richard Skinner, marketing agent with the Co-operative Extension Service in Canfield.

Among those increasing in supply are asparagus, broccoli and green beans. The asparagus found on the markets now is primarily coming from the west coast. Local asparagus will be marketed during May.

Good quality broccoli may carry lower than usual prices this week. The crop of green beans from Florida will be about 20 per cent larger this year than normal. This means you'll find attractive prices on good quality green beans.

There is an increasing quantity of fresh pineapple on local markets. For a tasty fruit salad, combine fresh pineapples and bananas. Both are in good supply and in most cases economically priced.

Look for the supply of rhubarb on local markets to increase in the next few weeks. Right now, nearly all fresh rhubarb is coming from Michigan hothouses. As local rhubarb reaches the markets, prices will drop slightly, as there is less transportation cost involved.

Greenhouse tomatoes again are on the market. Prices are high because the season is just getting under way. Greenhouse tomatoes still have the green stem on them.

Local grocers probably will feature the longer cooking cuts of beef and pork this weekend. The large size eggs continue to offer the best buy on a cost per pound basis.

### Student Nurse Given

Cap During Ceremony

Miss Jean May Allison, daughter of Mr. and Mrs. Roy Allison of Hookstown, a student nurse at St. Margaret's Memorial Hospital in Pittsburgh, has received her cap at a ceremony at the hospital.

Miss Allison, a 1960 graduate of South Side High School, near Hookstown, entered training Sept. 6, 1960, in the Louise Suydam McClinic School of Nursing, which is connected with the Pittsburgh hospital. She expects to complete the course in three years.

### Toledo Firm Files Best Bid On City Bonds

A Toledo investment firm was the successful bidder for the purchase of a \$166,300 municipal bond issue to finance the city's share of the new \$8 million freeway when bids were opened Monday afternoon in City Auditor Lawrence C. Applegate's office.

Council gave formal approval to awarding the bond issue to Stranahan, Harris & Co. at its meeting last night. The investment firm's bid was a premium of \$2,103 and an interest rate of 3 1/4 per cent on the bonds.

Eight other companies also sought to buy the bond issue, with six also offering 3 1/4 per cent interest. The difference was in the amount of the premium they offered to pay the city.

Here are the other bidders with the interest rate and the premium they offered:

Ball, Burge & Kraus of Cleveland, 3 1/4 per cent, \$1,687.61; McDonald & Co. of Cleveland, 3 1/4 per cent and \$1,384; Ryan, Sutherland & Co. of Toledo, 3 1/4 per cent and \$1,337; Braun, Bosworth & Co. of Toledo, 3 1/4 per cent and \$903; the Ohio Co. of Columbus, 3 1/4 per cent and \$538; Fahey, Clark & Co. of Cleveland, 3 1/4 per cent and \$228; Seasongood & Mayer of Cincinnati, 3 1/2 per cent and \$914.85; and Hayden, Miller & Co. of Cleveland, 3 1/2 per cent and \$571.

Sale of the bonds was authorized by Council late in March, principally to pay back a federal loan which financed preparation of detailed construction plans by Michael Baker Jr., Inc., Rochester consulting engineers.

The bonds will be retired through Dec. 1, 1971, with the first payment of \$16,300 maturing Dec. 1, 1962. Installments of \$16,000 annually will be paid from 1963 through 1965, and payments of \$17,000 each on Dec. 1 for the next six years.

### PTA Slates Election

SUMMITVILLE — Franklin Local Parent-Teacher Association will elect officers at a meeting Friday night at 8. The Rev. Boyd S. Burd will screen color slides of a trip to California. Mrs. Alto Roach and Mrs. Pauline Sloss of Hanoverton will present piano solos and duets. Lunch will be served.

### VFW Elects Floyd Allison

Floyd Allison of Virginia Ave. was elected commander of Chester Veterans of Foreign Wars Post 6450 at a meeting Monday night at the post home.

Allison, a retired pottery worker succeeds William Glover. Others elected were George Allison, senior vice commander; William Maple, junior vice commander; Robert Milby, quartermaster; Atty. James Jordan, post advocate; Jerrold Wilson, chaplain; Sanford Graham, surgeon, and Glover, trustee.

A life membership was authorized for Glover. Officers will be installed Saturday night at 7, prior to a party and dance to be held by the post for members and guests.

Paul Gill was enrolled as a new member. Floyd Allison reported the interior of the post home has been cleaned and painted.

A contribution of \$25 was authorized for the Chester High School post - prom party May 19. Lunch was served 24 by Wilson

and Paul Reed. Next meeting is May 15.

### Grange Sets Meeting

### Wellsville Pastors Endorse Bills For Gambling Control

The Wellsville Ministerial Association Monday went on record as favoring passage of three proposals in the state legislature governing gambling.

The Rev. James Sanko, secretary, was instructed to write Rep. Clarence Wetzel and Rep. J. Warren Bettis to inform them the association favors passage of House Bills 463, 464 and 586. Hearings now are being held on the bills, which would stiffen the laws governing certain forms of gambling in the state.

The Rev. William Hewitt, president, conducted business. The Rev. Robert Andrews gave the opening prayer and the others joined with individual prayers. Seven attended.

An informal discussion was held

on the place of the minister and church in politics. A report was read by the Rev. Arden Beck on the Christian Life and Leadership School held recently. The report, showing the school was successful, was prepared by the Rev. Bruce Davis, dean.

Rev. Sanko was instructed to send forms to all the churches on the formation of the church basketball league for next fall.

A discussion was held on Good Friday services and how to reach more area people and raise the attendance.

Rev. Sanko offered the closing prayer. The ministers had breakfast at McGeehan's Restaurant and then conducted business.

Next meeting is Monday, May 1.

### Dialogue Slated At Luncheon For Women's Group

Two Beaver County attorneys will present a dialogue on "Love Thy Neighbor" at a luncheon meeting of the Thiel Women's Club of the Beaver and Ohio Valley Saturday at 1 p. m. in St. John's Lutheran Church at Freedom.

Atty. Wayne S. Luce and Harvey R. Robinson will discuss problems between neighbors. The Rev. Roger Mauchline, pastor of the host church, will conduct devotions and will install new officers elected at the last meeting. Special music will be presented by the host church.

Retiring officers are: Mrs. Katherine Thomas, president; Mrs. John S. Mengel, vice president; Miss Mary Evans, recording secretary; Mrs. William Beckett, financial secretary; and Mrs. Andrew Meiterth, treasurer.

New officers are: Mrs. Jack Johnson, president; Mrs. William Miner, vice-president; Miss Evans, recording secretary; Mrs. Beckett, financial secretary; and Mrs. Meiterth, treasurer.

### Claimed At Age 100

CHICAGO (AP)—The Rev. Carl A. Bjornborn, 100, oldest retired minister of the Evangelical Covenant Church of America, died Monday.

### Group Will Distribute Petitions On City Tax

Petitions seeking repeal of the city income tax will be distributed at an open meeting of the Trades and Labor Council Wednesday night at 7 at the IBOP Building, Elmer Robinson, president, announced today.

Robinson said anyone volunteering to circulate the petitions may attend the meeting in Room 3.

An explanation will be given of the petitions and the procedure to follow in securing signatures to have an initiative ordinance repealing the tax placed on the Nov. 7 general election ballot, Robinson said.

### City Youth, Newell Man Fined In Chester

A city youth and a Newell man were fined a total of \$15 and costs on traffic violations by Chester Mayor Ray Collins Monday night.

Robert Edward Talbot, 16, of 715 Avondale St. was fined \$5 and costs for operating a vehicle with a noisy exhaust system. John L. Thoman, 20, of 101 Grant St., Newell, was fined \$10 and costs for driving without a valid inspection sticker.

### Navy Man On Carrier

LISBON — Machinist's Mate 2C Alexander L. Lease Jr., son of Mr. and Mrs. Alexander L. Lease of Route 4, is serving aboard the attack aircraft carrier Franklin D. Roosevelt, operating with the Sixth Fleet in the Mediterranean. The carrier will conduct training exercises and visit several countries during its seven-month cruise.

## Six? All 6-footers? In one compact?

RAMBLER CLASSIC GIVES YOU MORE HEADROOM, SHOULDER ROOM, HIP ROOM THAN ANY OTHER COMPACT CAR			
	Headroom (inches)	Shoulder Room (inches)	Hip Room (inches)
Rambler Classic.....	36.0	34.5	57.7
Falcon.....	33.8	32.7	55.3
Corvair.....	33.5	33.5	54.0
Special - Olds F85.....	34.0	33.6	55.2
Vauxhall.....	33.6	33.1	54.0
Lark.....	35.3	34.8	55.5
Pontiac Tempest.....	34.0	33.7	55.2

DID YOU KNOW—that the Rambler Classic is America's only middle-sized car—a compact with true big-car room, ride and performance, plus the economy

and maneuverability of smaller cars? • That it has more front seat headroom than any "Big 3" make? • That the X-Ray Books† prove this in illustrated comparisons?

## Get Rambler Excellence

"Rambler Classic is the all-purpose compact that can carry six 6-footers wearing their hats!"

Rambler Classic, 6 or V-8

No other car is built like, saves like, lasts like the Classic with Rambler Excellence

- RATTLE-FREE, all-welded, safer, stronger Single-Unit construction.
- DEEP-DIP RUSTPROOFING, right up to the roof, fights rust longest.
- PROVED LONG-TIME ECONOMY—Gas-saving Rambler Classic is unmatched for lowest maintenance and highest resale value.

### SUPERS QUALITY—COMPACT PRICE

Although the roomy Rambler Classic is a finer car than the old "low-priced" cars, prices begin at least \$212\* below Ford, Chevrolet and Plymouth... just a little above the small compacts. Monthly payments as low as \$45.85\*.

\*Price comparisons based on manufacturers' suggested factory delivered prices for 4-door sedans—with monthly payments based on 1/2 down payment, 36-month contract with normal carrying charges, federal taxes paid. Optional equipment, transportation, insurance, state and local taxes, if any, extra.
